25th February 2008

Dear Parents/ Carers,

Pupil Annual Review (PAR day)

This consultation will be an opportunity for you to discuss with the class teacher how your child is progressing in their class and their targets for the rest of the academic year.

We like to involve the children in the consultation as part of the Home/School Partnership. The appointments are scheduled for fifteen minutes per child. This is to enable an in-depth discussion about your child's progress so far this academic year and in order to gain an insight of how you can continue to support them at home.

Each class will have a board of appointment times outside the hall in the garden area (weather permitting or in the hall) from Wednesday 27th February 2008. The school is open from 8.00 a.m. until 6.00 p.m. Please do come and fill in your preferred time. The nursery board will be outside the nursery.

If you do not come to the school in the mornings or evenings please send a note of a preferred time with your child to the class teacher or phone the office who can give you a suitable time.

At the meeting you will also be given a parent questionnaire to complete, which I would be very grateful if you could do so and then hand into the office on your way out.

The Art Exhibition will be displayed in the hall and open all day for you to look at your child's work. We would like every parent to buy their child's work to value their effort. Unfortunately you will not be able to take the framed picture away on that day and you do need to pay £7 for it. It will be a lovely exhibition, so please do visit it in the hall on Tuesday 4th March during PAR day.

Thank you for supporting your child and us at Dorchester Primary School.

With kind regards,

Louise Austin, Head teacher
