Dear Parents and Carers,

SAFE PARKING

We have had a complaint about cars being parked across drives and on the corners of roads which could cause accidents involving the children.

Please park carefully and respect our friends and neighbours. Some of our neighbours are complaining and have phoned the police about the way parents are parking across drives and have been subject to threatening behaviour.

We need to respect the community and all get on together so please try to walk to school or park sensibly.

Thank you for your co-operation.

Yours sincerely,

Louise Austin
