

October 2009

Dear Parents/carers,

The children all like going out of school and have a great time but coaches are getting costly and so are places of interest. A great deal of learning and memorable experience comes from these visits and we feel it is really important to keep as many as we can. Below are the costs for this academic year for all the finances you will be asked for. Spread over the course of a year it doesn't work out to be too much and the visits do support your child's curriculum topic.

Name of class: Bronze/Copper **Year group: Reception**

Term	Activity	Cost
Autumn	School Fund – special resources e.g. clay,DT models, glitter special art materials for special events	£20 per year
	Visit to Bocketts Farm Actual cost: Coach £625 Entrance: £6.90	£15
Spring	Fairy Tale theatre visit to school	£5
Summer	Sutton Ecology Centre Actual cost: coach £525 Provisional costs not yet confirmed	£10

We hope you will agree to contribute for these visits and the children can continue to enjoy the exciting curriculum the staff have planned. All contributions are voluntary however, if we cannot cover the cost of the visits they will not be able to go ahead.

We thank you for your continued support.

Kind regards.

TRACY MULLINS
SCHOOL BURSAR.
