Dear Parents/Carers

## Learning Journeys

In the Foundation Stage (Nursery & Reception) we have introduced Learning Journeys for each child. The Learning Journey is a shared record of the child's personal learning and development which involves using contributions from the child, their parents and practitioners. This folder will hold any work they produce, observations and photographs of them and their 'All About Me' information. We would like parents to also be involved in their child's Learning Journey. We have made a sheet titled 'Parents Voice', which allows you to have some input into your child's Learning Journey. The 'Parents Voice' gives you the opportunity to send in photographs of your child at special occasions or where you can write a comment about something they may have achieved outside of school. The 'Parent Voice' will be sent home at the end of each term, in case something significant happens during the holidays. You will also be able to take the 'Parent Voice' during term time as and when you feel you might have something special you want to share.

We would also like to involve any other care providers (e.g. club, playgroup, childminder etc...) that work with your child, in their Learning Journey. We have produced another sheet for these providers, please ask your teacher for copies of this for you to pass on to them.

If you have any further queries or questions about the Learning Journeys please come and speak to us.

With kind regards,

Natalie Edgson
