Christmas Cards this year

As part of our recycling and sustainability drive we thought it would be a really good idea for each child to make a special keepsake Christmas card in school for all their class mates. This would mean that every child in the school would have a special Christmas card signed by all their class mates and their teachers which they could take home and keep forever. **The staff will organise this in school and therefore children do not need to send individual Christmas cards to each other.**

December is always an exciting month in school as the children get involved in all the activities – I'm sure we will all have fun.

I look forward to seeing you at one of the events.

The school reopens on Thursday 5th January 2012 at 8.50 for all pupils

With kind regards,

Louise Austin, Head teacher

PLEASE KEEP for reference - thank you
