DORCHESTER PRIMARY SCHOOL NEWSLETTER

Another month has flown by; it must be because we are having so much fun or just working hard. The children have been working really hard and the Year 6 and Year 2 have finally completed their SATs. I'm sure they have all done really well. Thank you for all your support and hard work. It will make a difference to your child's progress.

Netball Rally

Our netball team participated in the Sutton School Rally on Saturday 25th April. The girls played really well. I was so impressed with the way they played as a team and have developed their skills over the last few months. We didn't win

but they played very well. Well done girls!
The Football Team

The boys played well this season. Their skills have improved too and although we didn't win the league, the team was proud of its successes. Well done boys!

We are looking forward to testing our athletic skills in the Sutton District Sports.

.....
Year 5 & 6 will be able to take their cycling proficiency late in June.
