

Peek at the Week

Our Class is a Family

This week we have read the book 'Our Class is a Family'. As the back of the book says 'Family isn't always your relatives. It's the ones who accept you for who you are. The ones who would do anything to see you smile, and who love you no matter what.' We have talked about how we can respect and be kind to each other. The children are still embedding the routines of the classroom and this week we have started learning new sounds to help us read and write. The children will bring home a sheet with those new sounds, so they can practise them at home. Please keep them safe. The children have decorated their names to put up around the classroom.

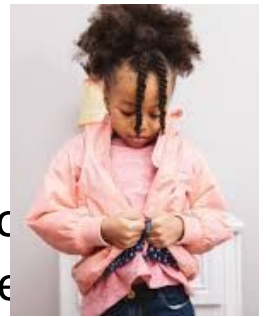

Please see the note about the School Registration Forms on the next page.

Please return...

It is very normal, at the beginning of Reception for toys/resources to be accidentally put in pockets and bags and end up at home. If you find things at home that belong to school please return them to your class teacher. Thank you.

Building Independence - Putting on our Coats

In Reception we work on building the children's independence in all areas. As we are heading into Autumn and the children are needing to put their coats on more regularly, could you please help the children to pull the sleeves out and put their coats on independently. It is a real boost for self confidence for children!

All About me

If you still have your child's All ABOUT Me booklet at home, please send it in.

IMPORTANT: School Registration forms

An email has gone out to remind all parents to please complete the school registration forms. They are online this year and can be accessed using a QR code. If you have any problems, please contact the office. If you have already completed these, thank you.

The Forms include photo consent. Until we have that, we cannot post photos of what the children are learning in Peek at the Week.

Clothing

Name Labels: Please remember to name **EVERYTHING** your child brings or wears to school including coats, shoes and water bottles.

Wellies: As the children will be playing outside in **ALL** weathers, please could you send in a pair of **named Wellies** (if you have not done so already), which we will keep outside the classrooms for the children to change into for Forest School and puddle jumping!

Spare Clothes: Please could you send in a **NAMED** set of spare clothes in a separate bag, preferably in a drawstring bag or a bag that closes. Please also include **socks!** The clothes do not have to be school uniform but please keep the clothes plain – without logos or characters.

Forest School

The children will have Forest School sessions on a Thursday morning with Riad. The classes will go every other week. We are looking for parents who would be available to support us with these sessions either weekly or on a rota basis. If you think you can help please contact your class teacher (see email addresses below).
