

Nursery Peek at the Week

Weekly News

This week in Nursery, we have enjoyed learning our new Good morning song. We are learning to say hello, good morning and good afternoon using Makaton. Makaton is a language programme that combine signs, symbols and speech to give different options for people to communicate. The children have really enjoyed using Makaton to say hello to each other. Please see photographs below. As part of this song, the children have also learnt to talk about their feelings.

We really enjoyed welcoming parents/carers to our Welcome to nursery coffee morning and afternoon session it was lovely to share with them some of the exciting things we will be doing in nursery this year. We will be sharing the slides from this session with you soon.

Next week we are going to be learning all about our school rules.

Please do not forget if you would like to contact us please feel free to email me using the email addresses below:

Good morning song-To the tune from singing in the rain.

Good morning, good morning

Hello and how are you?

Good morning, good morning to you

Dip and Do Home Learning

Please help your child to practise putting on their own coat and shoes.

3-a-day Stories: These are stories that the children hear every day. These stories have been carefully chosen to help the children to develop a love of reading and to help them to develop early reading skills. These stories have key elements that support the children to retell them for example many of them use rhyme or repeated phrases. Please read these at home too, if you do not have them you could borrow them from a library or watch them on YouTube.
