Enquiry Question of the week

Please take some time to ask your child the question and see how close your child is to answering the question fully. If they are finding it tricky, break down the answer together and see if they can continue to work on their learning at home.

How would we use common map symbols to show the features of Worcester Park on a map?

A: From our trip this week the children should be able to explain some of the main features they saw on Worcester Park High Street and The Hamptons e.g park, library, Church, parking, train station.
