Enquiry Question of the week

Each week we will post an Enquiry Question from the week's learning alongside the answer we would expect. Ask your child the question and see how close your child is to answering the question fully. If they are finding it tricky, break down the answer together and see if they can work on learning more at home.

Where is Europe?

Europe is a big continent, just like Africa or Asia. It's located to the west of Asia and to the north of Africa. If you look at a map, Europe is the part that includes countries like France, Italy, and Germany. It's connected to Asia, but they are separated by mountains and rivers.
