

Peek into next week Year 1

Things to know:

- ★ We will be going to Christchurch with St. Philips on Thursday 5th December in the morning. We have had a few volunteers but would really appreciate more helpers if you are able. Please fill out this form <https://forms.gle/taSjigBqA8NUASyYA> if you are able to come.
- ★ Friday 22nd is a non-uniform day as FODs are collecting donations for the Christmas hampers.
- ★ Friday 22nd is also a school disco. Year 1 children who are attending will go straight from their classroom to the school hall at 3:15. Please see a separate message from FODs regarding further information.
- ★ Children's books will be changed on Thursdays. They will receive one sticker if they have read and it is recorded in their diary for the whole week and another if they have their book and diary in school.

Enquiry Question of the week

Q: What are the different weather forecasts and how could we record them?

A: Different weather conditions - sunny, cloudy, rainy, windy, stormy, snowy etc. When we look at a thermometer, it will tell us how hot or cold it is. We could also record the weather by keeping a daily diary and using our own weather symbols.

A summary of next week:

Phonics: a_e saying /ai/, i_e saying /igh/, o_e saying /oa and u_e saying /oo/ or /yoo/.

Reading: Little wandle reading groups x3.

Writing: Assessment booklets.

Maths: Breaking numbers apart into fact families.

PSHE: Bedtime routines.

RE: Where do Christians worship?

Geography: What countries and capital cities make up the UK?

Computing: Researching using search engines.

Art: Experimenting with media.

A weekly overview (subject to change)

Monday	
Tuesday	PE kit worn in school for both classes.
Wednesday	PE kit worn in school for both classes.
Thursday	PE kit worn in school for both classes. Little Wandle book change.
Friday	Non-uniform day and school disco.

Reading folders should be in school every day and taken home every evening.

Year 1 Home Learning - Dip and Do

Autumn 2 Week 2

You must:

- Read daily at home and record this in your diary. Diaries are checked on a Friday but you must have your reading folder in everyday.
- Practise your quick recall of number bonds on Numbots every week (logins are in the front of reading records).

Gold

Retell the story of Paddington Bear. You can present it however you like. You may choose to write some, draw pictures, act it out with toys and film it. Be as creative as you like!

Silver

Choose 5 subtraction calculations and draw pictures to show how you can work it out.

Bronze

Create a picture of the sea. You can use any materials you like and try to include some sea creatures!
