

Peek into next week Year 2

Things to know for next week:

- ★ Tuesday 26th (Topaz) and Thursday 28th (Buttercup) we will be going on our trips to the Florence Nightingale museum. Please ensure your child is appropriately dressed for the weather as we will be walking to and from the train station. Please also make sure they have a healthy packed lunch.
- ★ Our nativity performance dates are Wednesday 11th at 9:30am and Thursday 12th at 2pm. If you are able to come and watch, please could you fill in this form, so that we can be prepared with how many seats to put out for each day:

It would really help us out if you could provide their nativity costume, however, we understand that you may not have anything suitable at home. Please let us know as soon as possible if you can't provide a costume for your child, so we can find something in school.

Many thanks!

Enquiry Question of the week

Please take some time to ask your child the question and see how close your child is to answering the question fully. If they are finding it tricky, break down the answer together and see if they can continue to work on their learning at home.

Who was Florence Nightingale and why was she significant?

Florence Nightingale was known as 'The Lady with the Lamp' - because she walked up and down the corridors of the hospital looking out for her patients. She was a nurse from 1844, and famously helped soldiers in the Crimean War (1854 - 1856). She improved how hospitals looked after patients and is known for making them cleaner and safer. She trained a team of nurses, and also then wrote books to help train nurses across the UK and beyond. She is a significant person in our history because of how she improved nursing and the quality of hospitals.
