

# Peek into next week Year 3

## Things to know:

Next week is the final week of term and the term will end on Friday at lunchtime.

Wednesday is Christmas Dinner Day - children will be in their usual school uniform for this. Their lunch time will be slightly later on this day, so we **strongly recommend** that all children bring a more substantial snack at break time and if possible, a small piece of fruit to have before lunch.

- ★ Forest School will be every **Wednesday**. Please make sure your child is dressed appropriately for the weather.
- ★ PE Days are Wednesdays and Thursdays
- ★ Reading diaries in every Friday. Spelling test every Monday.
- ★ Specialist teachers: Spanish (Mrs Mills) on a **Thursday**.

## Enquiry Question of the week

Each week we will post an Enquiry Question from the week's learning alongside the answer we would expect. Ask your child the question and see how close your child is to answering the question fully. If they are finding it tricky, break down the answer together and see if they can work on learning more at home.

When in life would you find magnetic objects?

Magnets are used in many things we use every day! They help make the fridge door close, they're inside headphones so we can hear sound, and they're in the motors that make things like cars and toys move. Magnets are also used in computers and phones to help them work better!

## A summary of next week:

**Reading:** Inference

**Writing:** Copy up their star write into their books to publish their final work!

**Maths:** Recap of learning this term

**Science:** How are magnets used in real life?

**Geography:** Describe the culture, climate and landscape of Italy, Spain or Sweden

**RE:** [The Christmas Story](#)

**PSHE:** To understand the benefits of healthy eating and dental health
