

Nursery Peek at the Week

Weekly News

This week in Nursery,

We were so proud of all of the children when they performed in our 'Wriggly Nativity' with Reception. The children remembered all of the words to the songs and they were very good at using the Makaton actions too. They also showed lots of confidence when performing their dances on stage.

They have also been very creative making Christmas cards for their families. We provided the children with some ideas and the resources and they each created their own individual cards. They have also enjoyed decorating the Nursery. We also enjoyed our first ever 'Dough Disco' to develop our finger muscles.

Exciting News

In January, we will have some new children joining us at Dorchester Nursery. We will also have two new members of staff. We will share photographs of the staff and more information when we come back to school in January. I am sure you will extend a Dorchester welcome to them.

In January, we would like every child to bring in a cardboard box (about the size of a cereal box). The children will be using these to make models of their homes.

Please no boxes that have contained nuts!!

Thank you all so much for your generous presents! We wish you all a Merry Christmas with your families and look forward to seeing you in January.
