

Peek into next week Year 2

Things to know for next week:

- ★ We are looking for parent volunteers to help with reading. We are hoping for one person for each class for the first half an hour of the day (8:30 - 9am). If you are available to support on any day of the week, please email Miss Bromley - mbromley1@suttonmail.org
- ★ Next week in PSHE, we will be discussing our bodies and naming our body parts. The lesson is called 'private parts are private' and the aim is to ensure the children are behaving safely when it comes to their bodies. Please be aware that we will be using the scientific words genitals, penis and vulva, so it may be important to have a discussion with your children ahead of the lesson to ensure that your children are aware of these words, particularly if you don't use them at home.
- ★ A reminder that your children need to have their reading records in school daily. This not only helps us when swapping books through the week, but also for the children to use the login details inside to access their Chromebooks.

Enquiry Question of the week

Where is China located?

Expected answers include: China is in Asia. It is bordered by lots of other countries, such as Russia, Mongolia, India, North Korea, Pakistan and Nepal. The Pacific Ocean is to the east and the Indian Ocean is west of China.
