

Peek into next week Year 2

Things to know for next week:

- ★ We currently have 1 volunteer to help with reading - thank you! We are hoping for at least one person for each class for the first half an hour of the day (8:30 - 9am). If you are available to support at all, for any time on any day of the week, please email Miss Bromley - mbromley1@suttonmail.org

Enquiry Question of the week

What are the physical features of China and why are they significant?

This week, the children learned that physical features are natural parts of the world around us, such as oceans, rivers, trees, mountains and lakes. We then looked at some of China's most famous physical features - Mount Everest and the Yangtze river. The children should be able to tell you that Mount Everest is the tallest mountain in the world. The Yangtze river is the longest river in Asia, and third longest in the world.

A summary of our first week back:

Spellings: words with the suffix -er -est

Reading: Retrieval, Inference and Vocabulary Skills

Writing: Learning to recount - using adjectives and adverbs

Maths: Multiplication and division skills

Geography: What is a day in the life of a Chinese student like and how does this compare to your school day?

Science: How are plants adapted to their habitat?

PSHE: Staying safe with medicine.

RE: What do humanists believe?

Computing: Use Google Slides to present information. Learning to add pages, text and pictures.

A weekly overview (subject to change)

Monday	PE kit needed
Tuesday	-
Wednesday	Forest school.
Thursday	Reading Records will be checked, stickers given and new Little Wandle/ Big Cat books given out.
Friday	PE (outdoor). Home learning shared with the class - please make sure any completed work is returned by the following Friday.

Year 2 Home Learning - "Dip and Do" Spring Term

You must:

- Read daily at home for at least 20 minutes and record this in the Reading Record. Records are checked on a Thursday but please make sure the folder is in everyday.
- Learn the weekly spelling words which are sent home and assigned on Spelling Shed. These will be tested every Friday morning.
- Practise addition and subtraction skills on Numbots at least 3 times a week.

"Dip" into these tasks:

Gold

We have been using our Chromebooks to write facts that we have learned in Geography onto Google Slides. You can access these slides at home via Google Classroom.

Can you add some more facts and pictures onto your slides from home? If you are struggling with this, then write them in your Home Learning book and we can use them in school later.

Your facts should be about famous landmarks (human features) and physical features of China.

Silver

Make a poster to show how plants disperse their seeds.

Bronze

Spend some extra time on Times Tables Rockstars to get quicker with your 2, 5 and 10 times tables!
