Enquiry Question of the week

Each week we will post an Enquiry Question from the week's learning alongside the answer we would expect. Ask your child the question and see how close your child is to answering the question fully. If they are finding it tricky, break down the answer together and see if they can work on learning more at home.

Who was Tutankhamun and why is he important

Tutankhamun was an ancient Egyptian pharaoh who lived a very long time ago. He is important because his tomb was found with many treasures, like gold and beautiful things. This discovery helped us learn more about ancient Egypt and its history. King Tut became famous because of this, even though he was not a very famous pharaoh during his time.

A summary of next week:

Writing: Note taking and drafting paragraphs about Ancient Egypt

Maths: Measuring

Science: What are the different parts of the human skeleton?

History: What can we learn from artefacts from Ancient Egypt about The life of Tutankhamun and other Pharaohs?

RE: What is suffering?

Art: To apply design skills inspired by the style of an ancient civilisation.

PSHE: To understand that cyberbullying involves being unkind online.
