

Nursery Peek at the Week

Weekly News

This week in Nursery, we have continued to enjoy the Naughty Bus story by Jan and Jerry Oke. The children have been drawing story maps to create their own Naughty Bus stories. They have been very creative thinking about some of the things that the Naughty bus could do at school. We have seen some fantastic pictures where the children have drawn very detailed pictures thinking about the colours and shapes that they are using. This has been very good to develop the children's early writing and storytelling skills. The children have also been taking it in turns to create their own helicopter stories, where they dictate a story to an adult and then act out the story in their keyworker groups. The children are developing a good understanding of what it is like to be an author or an actor. We have also started to read the story 'Sam's Sandwich' by David Pelham. The children have started to draw shopping lists so that we can buy the ingredients that they would like in a sandwich. We will be making sandwiches next week and the children will be able to eat them in school. Please make sure that we have up to date information about your child's dietary requirements.

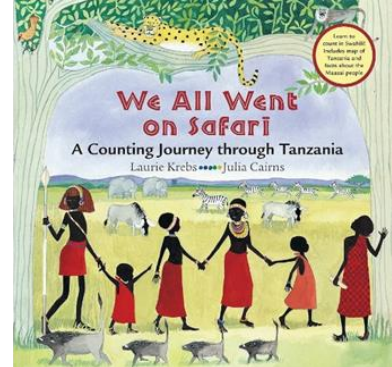

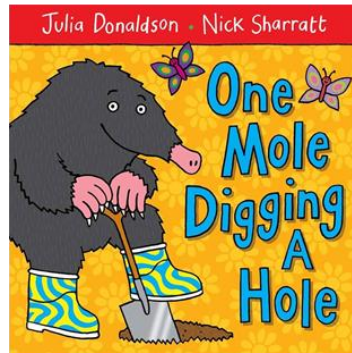

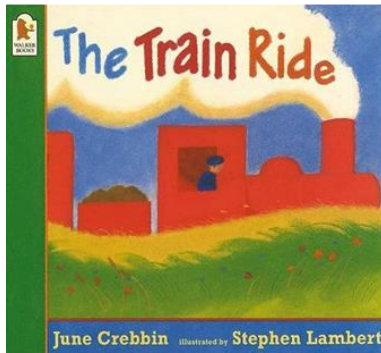

Don't forget we have our first Early birds session next Thursday (13th February). Please come and join us at either 8:30am or 2:15pm. We will have a variety of activities for you to do with your child to develop their fine motor skills. These are ideas that you can also use at home to develop their finger muscles ready for early writing. We would love to see as many of you as possible to support these sessions!

If you have any questions please do not hesitate to email me or Munaza using the email addresses below:

3-a-day Stories for Amber, Casper and Millie group children: The children have learnt our last 3 a day stories really well. These are our new 3 a day stories for this half term:

3-a-day Stories for Ollie group children: These are stories that the children hear every day. These stories have been carefully chosen to help the children to develop a love of reading and to help them to develop early reading skills. These stories have key elements that support the children to retell them for example many of them use rhyme or repeated phrases.

Dip and Do

These are some ideas of things that you may like to do to support your child's learning at home.

- This week in nursery we have been learning to use the vocabulary heavy and light. Can you find your heaviest toy at home? Can you find your lightest toy at home?
- Can you draw a story map of your favourite story, maybe you can use one of our 3 a day stories? We would love these to 'read' in Nursery.
- Can you create your own story and draw a story map to retell your story to your key worker group?
 - Can you make a sandwich so you know how to make one in nursery next week?

What have we been learning Nursery?

Please show your child these pictures and encourage them to talk about them.

What do you think the naughty bus will do in your story?

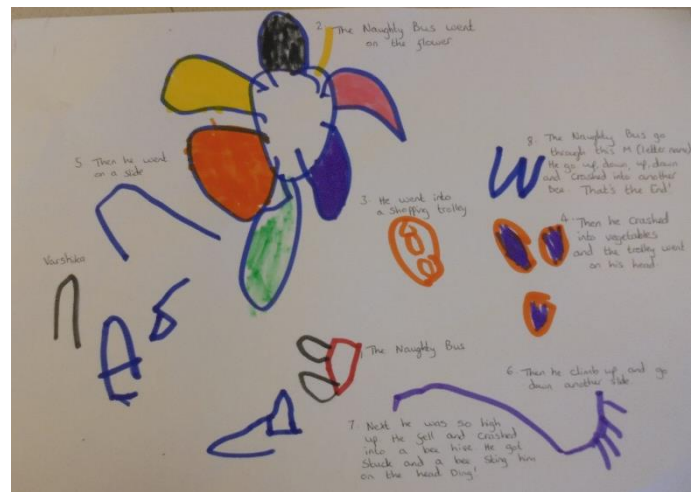

What have you drawn in your story map?

Can you retell your story?

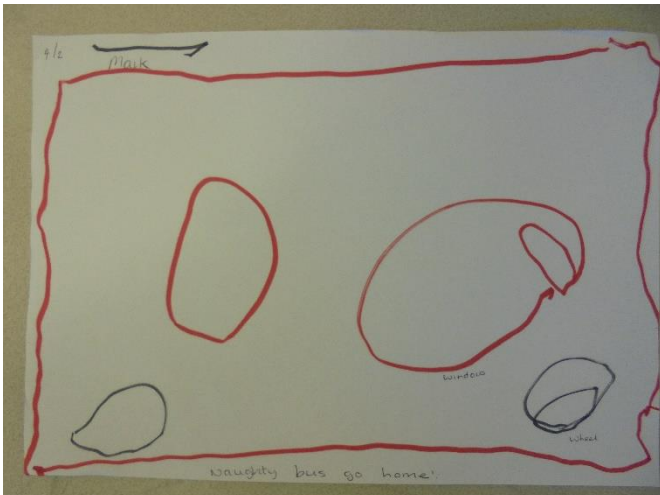

Can you make your story even better by using some story language e.g. a long time ago, once upon a time etc.

Important Dates

Fine Motor Earlybirds Thursday 13th February

8:30am-9:30am or 2:15pm-3:15pm

Please come and join us at either the beginning or end of the day to join in with some fine motor activities. This event will give you ideas for activities you can practise at home.

Last day of half term: Friday 14th February

Children to attend normal session times.
