

Nursery Peek at the Week

Weekly News

This week in Nursery, we have been reading different superhero stories and thinking about different superhero characters. We have been thinking about different super powers that heroes have and how they use their powers to help people. We have been thinking about how we can help each other. The children have also been thinking about colours and shapes when painting different characters. For our maths learning, we have been thinking about numbers 1, 2, 3 and 4. We have been thinking about different ways to make and represent each of these numbers. We have also been counting out the correct number of objects to match quantity to the numerals. For our Phonics learning, we have been thinking about the 'g' phoneme and words that start with g. We have also learnt a new move in 'Squiggle while you Wiggle,' the children have learnt how to draw spirals. Next week we will be reading Mr Wolf's Pancakes as we celebrate Pancake Day (Shrove Tuesday).

If you have any questions please do not hesitate to email me or Munaza using the email addresses below:

aglover13@suttonmail.org -Annabel Glover-Nursery Class Teacher, EYFS lead and Phonics Lead

Donations needed:

Can you help please?

Next week we would like to explore some of the things that people do to celebrate Pancake Day. We would like to have pancake races with playdough pancakes. If you have any spatulas or frying pans that you could donate to Nursery, we will be very grateful!

(You probably will not want it back to use after we have used it but we would love to keep them for the mud kitchen).

We will also be learning about our senses. We will be exploring some different foods. If you have, any herbs or spices we would love to smell them.

Superhero Day

Friday 14th March

To celebrate our learning about Superheroes, we will be having a Superhero day in Nursery on Friday 14th March. Children are encouraged to come to Nursery dressed as their favourite fictional or real life Superhero. Please do not feel that you have to spend money on an expensive costume, homemade costumes can be very effective.

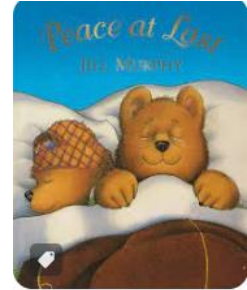

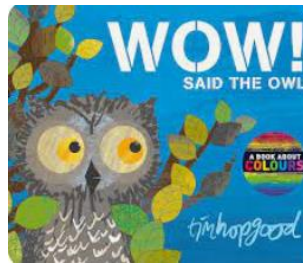

Learning about different jobs

We are learning about fictional superheroes with stories like Supertato and Super Daisy. We will then be learning about real life superheroes and talking about people who do jobs to help us like doctors, fire fighters, scientists etc. If you would like to come and talk to the children about your job, we would love to welcome you to Nursery or if you know someone who is a Police Officer, Dentist, refuse collector etc. please let us know.

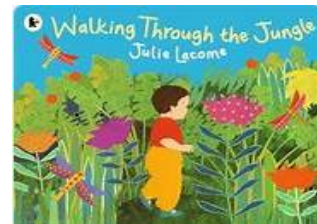

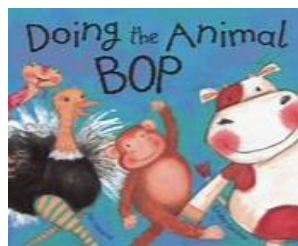

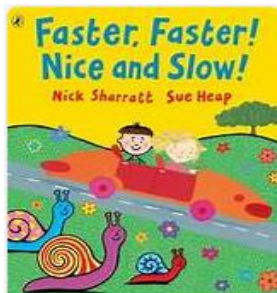

New 3 a Day stories for after Half Term

3-a-day Stories for Amber, Casper and Millie group children: The children have learnt our last 3 a day stories really well. These are our new 3 a day stories for next half term:

3-a-day Stories for Ollie group children: These are stories that the children hear every day. These stories have been carefully chosen to help the children to develop a love of reading and to help them to develop early reading skills. These stories have key elements that support the children to retell them for example many of them use rhyme or repeated phrases.

Dip and Do

These are some ideas of things that you may like to do to support your child's learning at home.

- Can you draw/write a shopping list thinking about the ingredients that we will need to make pancakes?
- Can you find out about the different jobs that people in your family do? We would love to see some photographs or drawings!
 - Can you draw your favourite superhero?
- Can you count out the correct number of objects to represent 1,2,3 and 4?
 - Can you find objects beginning with g?

What have we been learning Nursery?

Please show your child these pictures and encourage them to talk about them.

What do different superheroes do?

What colours does your favourite superhero wear?

Spiderman and Hulk

By Elodie

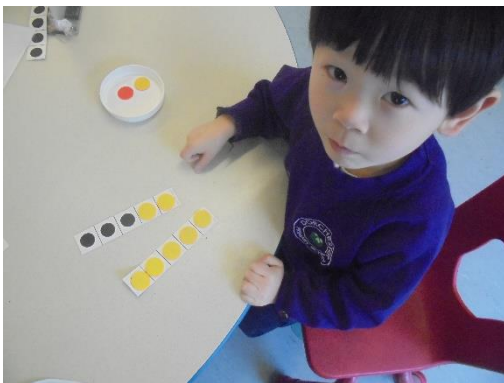

What numbers can you see?

Can you show me that many fingers? Can you show me a different way of showing that number on your fingers?

Can you find me 4 toys?

Can you find me 2 toys?

Which group has more/fewer?

What can you build?

How did you build it?

What shapes did you use?

Can you build with a friend? How can you work together and share ideas?

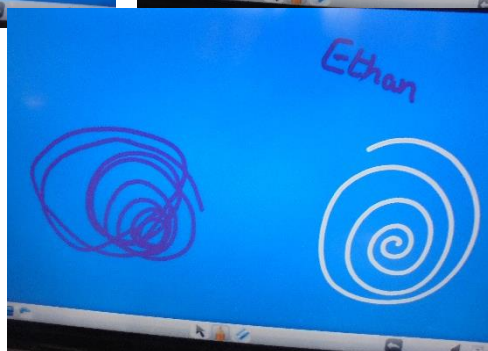

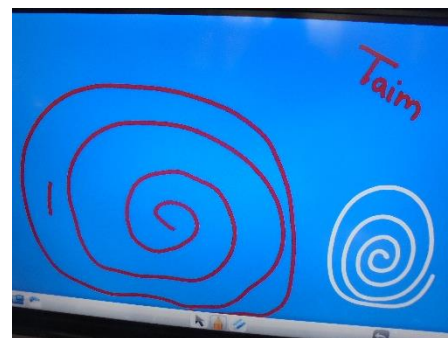

Can you make a superhero den or head quarters or maybe a trap for a bad guy?

Can you draw the squiggle moves we have learnt?

Up and down, side to side, criss-cross, wiggle, circles, arches and spirals.

Can you draw with a pen, with a paintbrush and water, with chalk, in sand etc?

We have been doing lots of exercises to strengthen our super speed, super strength and balancing skills.

Can you exercise at home?

What balances can you do?

With the slightly warmer weather, the children have been enjoying more and more time outside. You may have noticed that many of the children have been enjoying the mud kitchen and the digging area. Although the children are encouraged to wear mud suits they do sometimes still get mud on their clothes. Please ensure that your child has named spare clothes in school (including socks).

Important Dates

World Book day Thursday 6th March

Children to come to school dressed as their favourite book character.

Nursery Superhero day Friday 14th March

Children to come to school dressed as their favourite fictional or real life superhero.
