

Nursery Peek at the Week

Weekly News

This week in Nursery we have been reading Superhero like you by Dr.Ranj. In this story, a little girl called Lily tells her mum that she wants to be a superhero when she grows up. However, Lily does not want to be a superhero who wears her pants outside her clothes' she wants to be a real superhero who helps people. We have been using this book to think about different jobs that people do to help others. We have been learning about firefighters, police officers, teachers, carers, recycling truck drivers and scientists. Can you think of other jobs that people do to help people? Superhero day was a lovely celebration of fictional and real life superheroes. The children were able to share their knowledge of different superhero stories and recall facts about what different people do to help us in real life. The children enjoyed many different activities including rescuing animals, helping each other when they were injured or sick and developing their super strength and balance on different obstacle courses. Please see our school social media post to see more pictures of Superhero day.

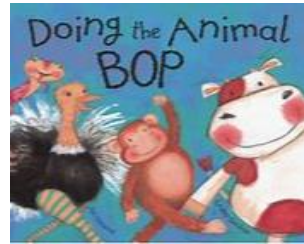

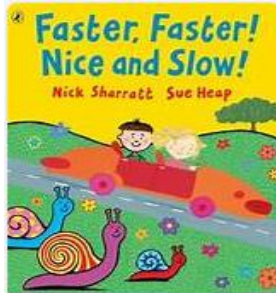

If you have any questions please do not hesitate to email me or Munaza using the email addresses below:

3-a-day Stories for Ollie group children: These are stories that the children hear every day. These stories have been carefully chosen to help the children to develop a love of reading and to help them to develop early reading skills. These stories have key elements that support the children to retell them for example many of them use rhyme or repeated phrases.

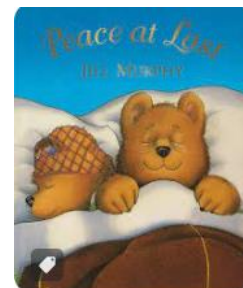

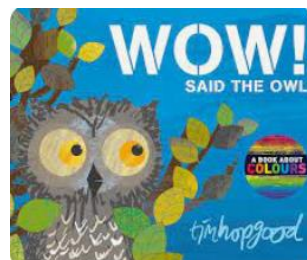

Dip and Do

These are some ideas of things that you may like to do to support your child's learning at home.

- Can you draw your favourite superhero?
- Can you find objects beginning with c?
- Can you talk about what you would like to be when you are grown up?
- Who is the tallest member of your family? Who is the shortest member of your family? Can you take a photograph of you in size order from smallest to tallest?

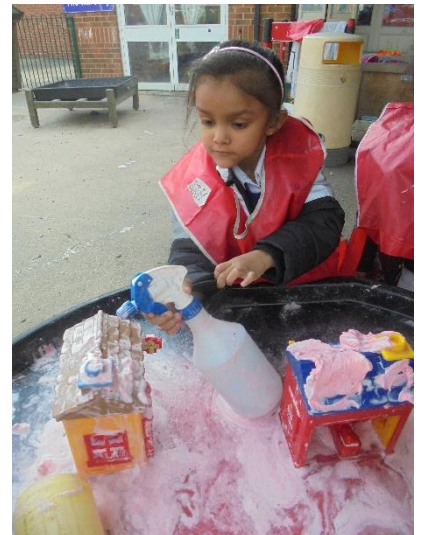

What have we been learning Nursery?

3-a-day Stories for Amber, Casper and Millie group children: The children have learnt our last 3 a day stories really well. These are our new 3 a day stories for next half term:

Please show your child these pictures and encourage them to talk about them.

We have been developing our finger muscles by using by using spray bottles to extinguish shaving foam fires on different houses.

We have been pretending to be doctors. Look at the lovely prescriptions we have been writing.

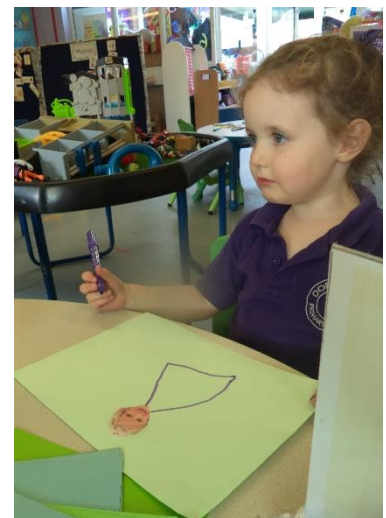

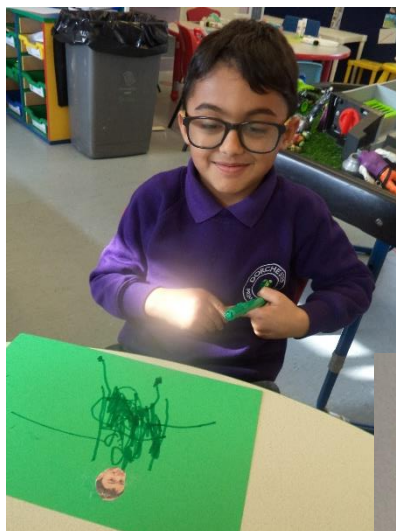

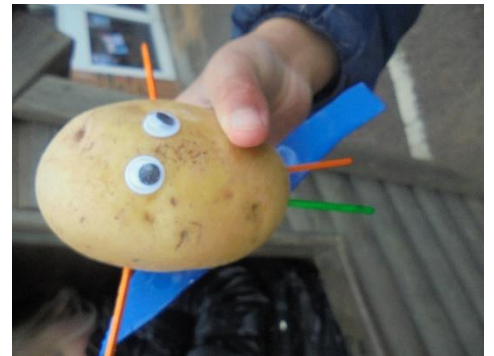

We have been practising our name writing in the role of Police Officers. We have been writing our names before taking our fingerprints.

Friday 14th March 2025

We have also been making different superheroes. We have used potatoes to make our own Supertatoes and the children have enjoyed flying them all around Nursery. The children have also been using photographs to make model superheroes of themselves. These have been great for the children to use to create their own stories.
