

Nursery Peek at the Week

Weekly News

Welcome back, we hope you all had a lovely Easter and a special welcome to our new families that have joined us in Nursery.

This week in Nursery, we have been learning about Eid. We have found out that Muslim's celebrate Eid to mark the end of their holy month called Ramadan. When celebrating Eid, Muslims wear new, traditional clothes before going to the mosque to pray. They celebrate with their families and friends by making special food and handing out presents. The children who celebrated Eid with their families have made us all very proud as they have taught their friends lots of useful information. The children have made some beautiful Eid cards for their families and designed their own prayer mats. Next week we will be learning about plants and how they grow.

Dip and Do

These are some ideas of things that you may like to do to support your child's learning at home.

- Can you plant a bean or seed at home and help it to grow?
- Can you write your name? Can you write your friend's name?
- Can you use one of our home learning packs?
