## Enquiry Question of the week

Each week we will post an Enquiry Question from the week's learning alongside the answer we would expect. Ask your child the question and see how close your child is to answering the question fully. If they are finding it tricky, break down the answer together and see if they can work on learning more at home.

*What was life like for different people during the Shang Dynasty?*

Kings and priests would use oracle bones, which were animal bones or tortoise shells, to ask questions of the ancestors and Di. They would carve questions onto the bone, heat it until it cracked, and then interpret the cracks as divine answers. These inscriptions on the oracle bones provide valuable insights into Shang life and beliefs
