Enquiry Question of the week *What is faith?*

"First: What is faith? In the simplest manner in which I am able to express it, I answer: Faith is the assurance that the thing which God has said in His Word is true, and that God will act according to what He has said in His Word. This assurance, this reliance on God's Word, this confidence is faith." 
~ George Müller

George Muller was called a man of faith. He believed that God would act on his behalf when he could do things himself. He saw many miracles in the orphanages he set up to take care of the poorest children.
