

## Year 5 Peek into Next Week Summer Term 2 Week 1

### Spelling Test

Next week we will be completing a 20 word spelling test in our SPAG end of year booklet. We would like you to revise as many of the spelling rules that we have learnt this year as you can. You will find these on Spelling Shed under past assignments.

### Things to know:

The Year 5 Residential is fast approaching. I have attached the information for you.

Please make sure you have paid your contribution towards the bowling trip if your child is not going on the residential. We do need parent contributions for this trip to go ahead.

Next week the children will be completing assessment booklets in SPAG (Spelling, Punctuation and Grammar, Reading and maths). Please make sure your child has a filling breakfast and a good night sleep ahead of these assessments.

Your child will find out their new class and teacher at the end of the month. We know this is a time of anxiety for some children. Please rest assured that we will be planning in some transition activities to help prepare your child to year 6.

## Year 5 Home Learning - Dip and Do

**You must:**

- Read daily at home for at least 20 minutes and record this in your diary. Diaries are checked on a Monday but you must have your reading folder in everyday.
- Learn the weekly spelling words which are sent home and assigned on Spelling Shed. You will be tested every Monday morning (this will start next week).
- Practise your quick recall of the Timestables on TTRockstars at least 3 times a week.

**Please Dip into these tasks.** You do not have to do all 3 each week but of course you can if you want to! Tasks are set every Wednesday and due the following Wednesday.

### Gold

Write a description that uses all of the senses and figurative language of a busy fair or theme park. Aim for 300-500 words.

### Silver

Make a poster all about units of measure conversions to help you remember them. Focus on km/m/cm/mm and l/ml. Use pictures, diagrams and conversions to make your poster clear.

## Bronze

Research a famous river in the USA.  
What is the name of the river?  
How long is the river?  
Where is the source of the river?  
Where does the river flow through?  
Where is the mouth of the river?
