Enquiry Question of the week

What are variables and why is it important that we are aware of them?

Variables in science are like the things that can change in an experiment. Such as, independent variables, dependent variables and controlled variables.

A summary of next week: - Half Term

English - Non Chronological report Henry VIII and the Tudors

Maths - Money/Time

Science -Collecting and representing data

PSHE - Growing up and the changing body

RE - Why is nature important to Humanists?

Music - Pitch

PE - Tennis

Art - Sculpture

A weekly overview (subject to change)

Monday	Uniform Day
Tuesday	Uniform Day (PE Emerald)
Wednesday	PE kit day (Uniform Emerald)
Thursday	PE Day
Friday	Uniform Day

Reading folders should be in school every day and taken home every evening.

Year 4 Home Learning - Dip and Do

Summer 2 Week 4

You must:

- Read daily at home for at least 20 minutes and record this in your diary. Diaries are checked on a Friday but you must have your reading folder in everyday.
- Learn the weekly spelling words which are sent home and assigned on Spelling Shed. You will be tested every Friday morning.
- Practise your quick recall of the Times tables on TTRockstars at least 3 times a week. [See challenge for TTRS.](#)

Please Dip into these tasks. You do not have to do all 3 each week but of course you can if you want to! Tasks are set every Friday and due the following Friday.

Gold

If you could be Prime Minister what would you do? What would your priorities be? Write your promises (a manifesto) as a speech. Imagine you have just become Prime Minister and you are writing your speech for a news Report. If you want you could video it and share on your class Google Classroom page.

Silver

This week is Children's Art week - get creative. Can you create a sculpture from things found in Nature? Take a picture of it and share it on your Google Classroom.

Bronze

Today is National Camera day. Ask permission to take some photos of interesting things you find, or every day items from a unique angle. Why not go on a walk and see what things you can find in nature to photograph? Share your pictures on Google Classroom.
