Enquiry Question of the week

Why do we need rainforests?

Many products in everyday use are from the rainforest and many rely on these for employment globally e.g. coffee and chocolate. Many medicines find their origins in the rainforest including several cancer drugs. Palm oil is produced there too which is a cheap alternative. Oil, gas and gold are also found under the rainforest. All of these provide much-needed income for Brazil.

A summary of next week:

Reading: Balanced arguments

Writing: Practising ambitious vocabulary for our Star Writing next week

Math: Square and cube numbers, multiplication of 4 digits by 1 then by 2 numbers, rules of divisibility, prime numbers

Science: What evidence is there for evolution?

Geography: Produce from the rainforest

Computing: Understanding and applying procedures in coding

Year 6 Home Learning - Dip and Do

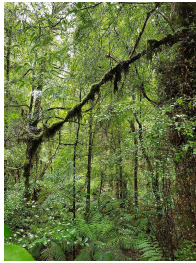

Autumn Term Week 3

You **must**:

- Read daily at home for at least 20 minutes and record this in your diary. Diaries are checked on a Thursday but you must have your reading folder in everyday.
- Times Table Rock Stars - 20 minutes on Garage
- Spelling Shed - Assignment has been set

Please Dip into these tasks. You do not have to do all 3 each week but of course you can if you want to! Tasks are set every Friday and due the following Wednesday.

Gold

Look at the image of the rainforest. Write a paragraph to describe the rainforest in detail. Remember to use all of your senses!

Silver

In a few weeks' time, we will begin a non-chronological report on rainforest animals. Which animals might we write a report about? Choose five and find two facts about each animal.

Bronze

In R.E., we have been looking closely at the Bible. Can you Sporcle the books of the Bible? Screenshot your time and show your teacher.
