

# Peek into next week Year 1

## Things to know:

- ★ Next week, we will be working on a 'Take one picture' project. We plan to try and build a big boat if we can! If you have any cardboard boxes at home, the bigger the better, please could we have them?
- ★ Riad has been needed to go to some sporting events recently so has very kindly offered to make up some forest school sessions on the next 2 Friday mornings. The children can continue to wear their PE kit but please ensure they have a proper coat so they can be outside for an hour.
- ★ On Monday 13th, we have the paralympian Chris Skelley coming in on Monday 13th October to do a charity fitness circuit with the children, as well as our whole school assembly.

## Enquiry Question of the week

**Q: Who is Mary Anning and how did she influence our knowledge of dinosaurs?**

*A: Mary Anning was a fossil hunter who discovered the full skeleton of an ichthyosaur.*

## A summary of next week:

**Phonics:** Phonics assessments.

**Reading:** Little wandle reading groups x3.

**Writing:** Writing dinosaur fact files.

**Maths:** Subtraction within 10.

**DT:** Creating a windmill.

**Science:** Can you sort animals according to a criteria?

**PSHE:** How to have healthy friendships.

**Computing:** Developing keyboard skills.

**History:** How did historians find out the diet of dinosaurs?

## **A weekly overview (subject to change)**

Monday	Chris Skelley assembly and fitness circuit. PE kit worn in school for both classes.
Tuesday	
Wednesday	PE kit to be worn for both classes. Forest school so please have weather appropriate clothing.
Thursday	Little Wandle book change.
Friday	Extra forest school. PE kit worn in school for both classes.

**Reading folders should be in school every day and taken home every evening.**

# Year 1 Home Learning - Dip and Do

## Autumn 1 Week 6

**You must:**

- Read daily at home and record this in your diary. Diaries are checked on a Friday but you must have your reading folder in everyday.
- Practise your quick recall of number bonds on Numbots every week (logins are in the front of reading records).

**Gold**

Can you write a recount of one of your days this week? It could be written as a diary or just as separate sentences. Remember to use capital letters, full stops and finger spaces.

**Silver**

Create a poster with all of the number bonds to 10. You can be as creative as you like with how you present it!

**Bronze**

Choose a dinosaur and then design the perfect habitat for them. You can draw this, build it with lego or use anything from home to help you show it. Please feel free to email your child's class teacher with a picture if you would like to!
