

# Advent Candle Wreath Paper Plate Craft

## You will need:

- A paper plate
- Clear glue
- Green tissue paper
- Green card
- Scissors
- Pink, purple and white card
- Colourful pens

1) First, cut the centre from the paper plate. Ask an adult for help if you are unsure.

2) Next, add green tissue paper to the wreath shape. Add glue to the surface, then a small piece of green tissue paper, and then add more glue on top. Leave the tissue paper to dry overnight.

3) While waiting for the tissue paper to dry, cut out your candles. Cut out three pieces of purple card and one piece of pink card, 8cm by 3cm.

4) Decorate the four candles. Research the symbolism of each candle on the advent wreath. You could even add a prayer or a hope to the front of each candle.

5) Now use the candle shapes to draw a flame template for each candle. Cut out each flame shape and decorate with warm colours.

6) Next, glue the flames to the advent candles.

7) For added decoration, cut out eight pieces of holly from your green card.

8) Finally, put all of these pieces together. Position your advent candles and add holly to the base of each candle. You can then choose to add some string to your advent candle can hang as a fun Advent decoration.
