

# Peek into next week Year 2

## Things to know for next week:

- ★ In the new year we are looking for a parent volunteer to help with reading in Topaz. Please contact Mrs Horne or Mrs George if you are able to help.
- ★ Next week in PSHE, we will be discussing our bodies and naming our body parts. The lesson is called 'private parts are private' and the aim is to ensure the children are behaving safely when it comes to their bodies. Please be aware that we will be using the scientific words genitals, penis and vulva, so it may be important to have a discussion with your children ahead of the lesson to ensure that your children are aware of these words, particularly if you don't use them at home.
- ★ A reminder that your children need to have their reading records in school daily. This not only helps us when swapping books through the week, but also for the children to use the login details inside to access their Chromebooks.
