

# Peek into next week Year 1

## Things to know:

- ★ Next week, the children will be making their own synagogues in RE out of junk modelling. Please could each child bring in some 'junk' materials (cardboard boxes, plastic bottles, egg cartons etc.). Thank you!
- ★ Just a reminder about break time and healthy snacks. We do provide fruit for the children, however, I know some children like to bring their own snack. If this is the case, the snack needs to be **healthy** (no crisps, chocolate or biscuits).
- ★ Next week is a normal week! Children have PE on Monday, Wednesday and Friday. They have Forest School on Wednesday afternoons so please make sure they are appropriately dressed on these days.

## Enquiry Question of the week

**Q: How can we protect the oceans and why is it important to do this?**

*A: We can protect the oceans by disposing of our rubbish properly. This is important to protect the wildlife in the oceans.*
