

Nursery Peek at the Week

Weekly News

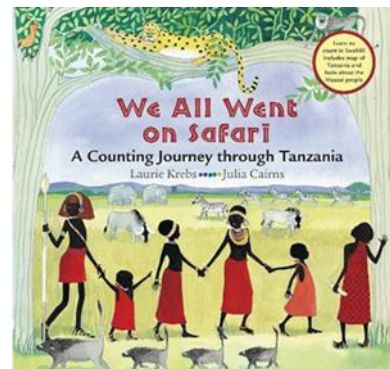

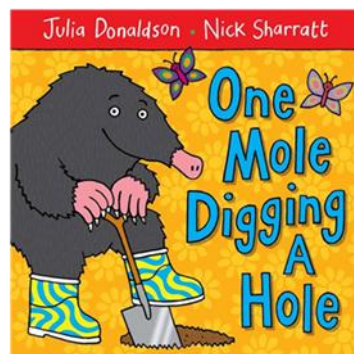

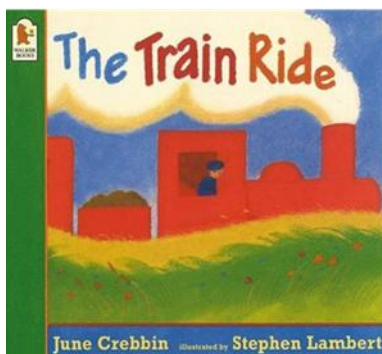

This week in nursery we have continued to focus on the story of **Sam's Sandwich**. The children have been developing their understanding of how purposeful marks when drawing or writing need to portray meaning. They all listed the ingredients that they would like to have in a sandwich and we used these as shopping lists to buy the ingredients that they would need. The children then got to 'read' their lists to make their sandwiches, they have all developed their fine motor skills when spreading and cutting. We have also been thinking about safety when using knives and why washing our hands is important when making food. For our maths learning we have been exploring the vocabulary of heavy and light. We have been comparing different objects and feeling which objects are heavy or light. We have also been using bucket scales to help us to compare the weight of two objects.

REMEMBER No question or concern is too small, I would rather you email me than worry about something!

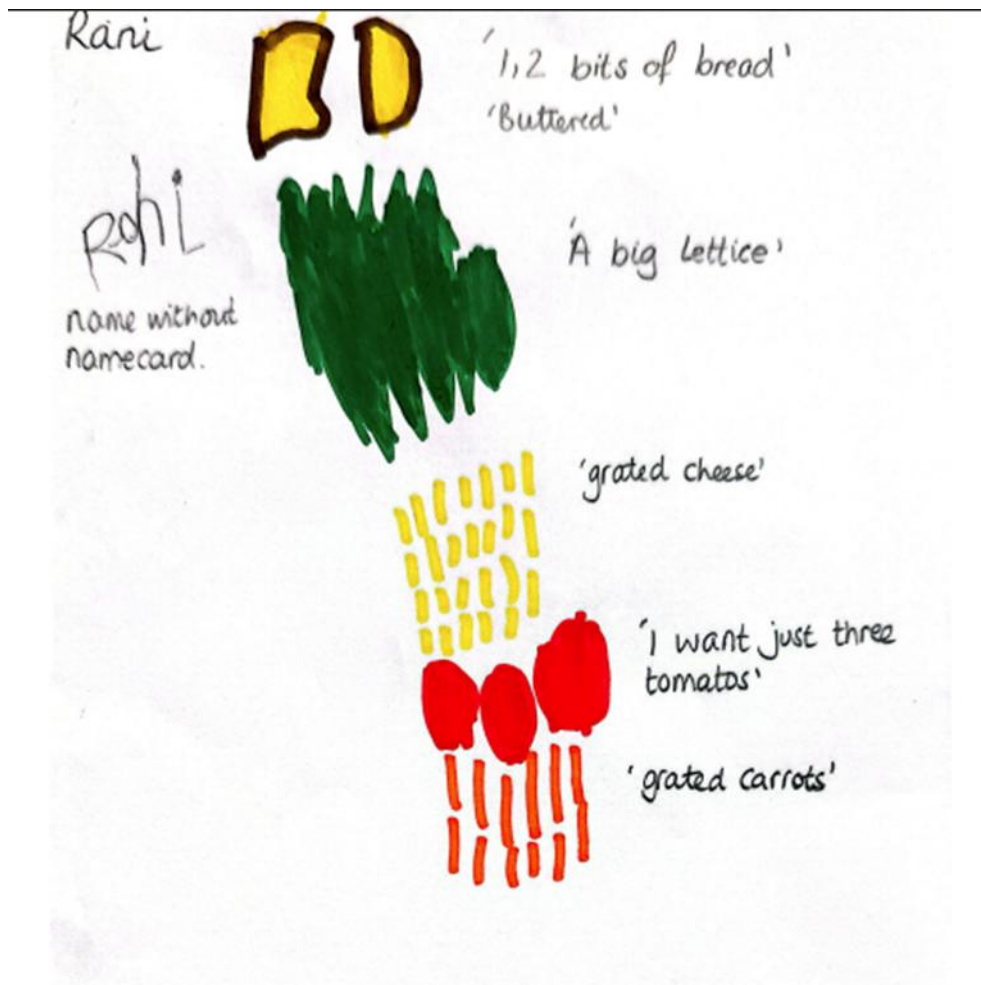

3-a-day Stories: The children have really grown in confidence with these stories. Please try to share them home.

Dip and Do: Home Learning:

- Can you make a shopping list for food items that you would like to buy? We would love to see photographs!
- Can you help to make a sandwich at home? Or maybe you could make a different meal.
- Can you find things beginning with d? we would love to see photographs
- Can you find your heaviest and lightest toy?

What have we been learning in Nursery this week?
