

## Nursery Peek at the Week

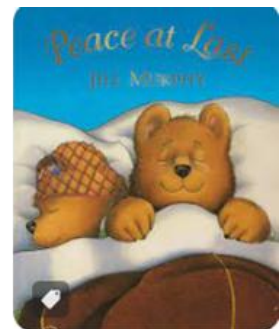

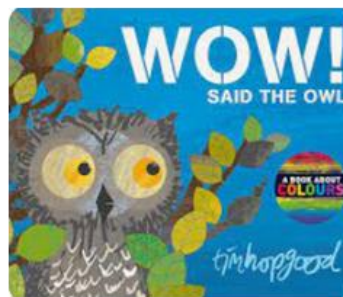

### Weekly News

This week in Nursery we have been thinking about magic potions. We have been using our imaginations to think of creative ingredients, of course we had to include some disgusting items like spiders and eyeballs. The children have been using their developing mark making skills to draw what they would include in their potion. We then had to decide what would happen if you drink the magic potion and the children had some fantastic ideas, maybe you could grow really big or maybe you will turn into a princess or a dragon.

Next week we will be finding out about how Easter is celebrated; we will also be learning about the Easter story from the Bible. We will be ending the week with an Easter Bonnet Parade. We hope that the children have lots of fun making their Easter Bonnets at home with their families.

It was lovely to see so many of you for parents/carers appointments, if you have not yet managed to see me, please email me to arrange an appropriate time to meet. It really is a lovely opportunity to discuss your child's progress with you.

**3-a-day Stories:** These are our new 3 a day stories for this half term

**Dip and Do: Home Learning:**

- Can you find out what your family members do for their jobs? We would love to see photographs or maybe you can draw some pictures.
- Can you draw a picture of what you would like to be when you grow up?
- Can you draw a list of what you would like in your potion?

**Can you make an Easter Bonnet for the Easter Bonnet Parade?**

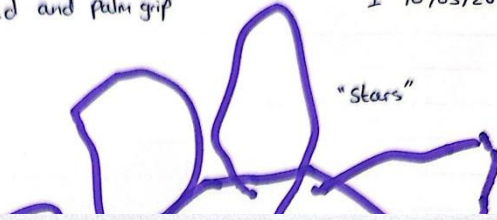

Please see the photographs below for ideas. It would be lovely if every child could have a bonnet to join in with the parade.

**What have we been learning in Nursery this week?**
