

Peek at the Week

The Three Little Pigs

We have had a wonderful time enjoying the sunshine this week! We read the fairytale, 'The Three Little Pigs' and the children have been writing their own story maps. Story maps are a great visual tool used to help sequence and understand the structure of a story. The children enjoyed drawing pictures and labelling their story maps and next week we will use them to help retell the story. We experimented with different materials to build houses for the Three Little Pigs. Next week we will test these to see which ones stand up to being blown with a hairdryer! We have also been using our Phonics to write speech bubble sentences. What are the characters saying?

In Maths, we have been making numbers between 10 and 20 using ten frames and counters.

Sun Hats and Sun Cream

As the weather is getting warmer, please could you send in a hat or cap to shield your child's head and neck. Many of the children choose to spend a large amount of their day outside.

If you wish to send sun cream into school, please name it and we will keep it in a tray in the classroom. That easy we can monitor when it is used and make sure it is not shared. The children will apply it independently but an adult can supervise.

Bocketts Farm Trip Payments

Thank you to those parents who have paid towards our trip to Bocketts Farm. It is 8 weeks away! The sooner payments are made, the sooner we know we can confirm it is go ahead. Payments can be made via the Gateway app. There is also an option to spread out the payments - thank you.

Payments should be made by Tuesday 2nd June.

Forest School timetable:

May

7th - Polling Day - no school

14th - Bronze

21st - Silver

**Bronze Class needs Mystery Readers!
Please help the children. They ask every day!
There must be someone who would like to
come and read them a story?**

BABY PHOTOS

As part of our topic on How We Have Changed, we would like the children to look at photos of themselves as babies and toddlers so they can talk about what has changed. Please can you email your teacher a photo of your child as a baby and another as a toddler, so we can use them to discuss the changes. Thank you.

Please share these photographs with your children and encourage them to tell you what they have learnt this week.

Working together to make a house for one of the Three Little Pigs.
What materials did you use?
Did it stay up?

How do you make numbers bigger than 10?

Please share these photographs with your children and encourage them to tell you what they have learnt this week.

Every morning there is a new picture on the whiteboard and we write a sentence using our phonic knowledge. The sentences are getting better every day. We also practise our letter formation because how we write it matters.

Teaching phonics. All the children look like they are ready to learn.
