

Nursery Peek at the Week

Weekly News

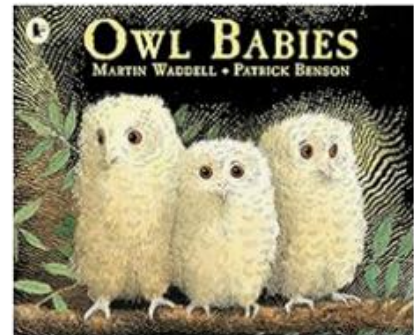

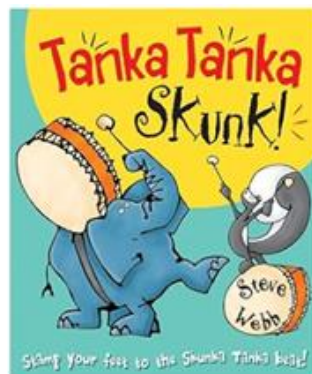

This week in Nursery we have continued our topic on insects and other minibeasts. We have been working very hard to make our nursery garden more inviting for different insects. We have been making different bug houses and hotels using recycled materials. We cannot wait to find out if some minibeasts decide to move in. Next week we will be visiting forest school to see if it is a good environment for insects. The children have been looking for different minibeasts and practising their mark-making skills by drawing the different insects that they see.

REMEMBER No question or concern is too small, I would rather you email me than worry about something!

Next week we are going to start growing some plants and we will be finding out about what seeds and beans need to grow. If anyone has any seeds, beans, plastic plant pots or gardening resources that they know longer need we would love to receive your donations.

3-a-day Stories: These are our new 3 a day stories for this half term

Dip and Do: Home Learning:

- Can you find objects beginning with u?
- Can you go on an insect hunt? What insects or minibeasts can you find? Can you draw some pictures?
- Can you learn some facts about insects?

What have we been learning in Nursery this week?

Phonics

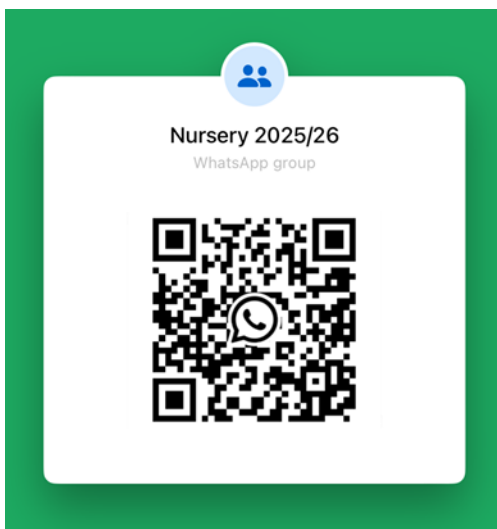

This week we have been learning the u phoneme sound.

 	 <p>umbrella</p>	<p>Open your mouth wide and say u u u</p>	<p>Down and around the umbrella and back to the ground.</p>
---	---	---	---

Can you think of objects beginning with u?

Does anyone in nursery begin with E?

Nursery Parents/carers WhatsApp

If you have not yet joined the Nursery Parents/carers WhatsApp and would like to please use the QR code below. This is a group managed by our Nursery parent Reps. It is really useful for reminders of different events and information about the school.
