

Peek at the Week

Where are the Gingerbread men now...?

This week, the children have been showing off their Phonic knowledge with their teachers. We are so proud of how much they have learned this year! Please do keep reading with your child at home as this makes such a difference to their confidence and develops a real love for reading.

We were sent some photos of our missing Gingerbread men... They have been all over the school, Worcester Park High street, flew to Iceland to visit the Puffins and Geysers and they are currently in the Bahamas! We are so glad that they have been found and not eaten by a fox. We hope you all have a wonderful half term break. Please remember Monday is an Inset Day so we will see you Tuesday 2nd June.

Dip and Do

Next term, we will be learning about London! We will be looking at some of the landmarks that can be found there.

Please send in/email any photos of days out to London you may have been on for us to share and discuss.

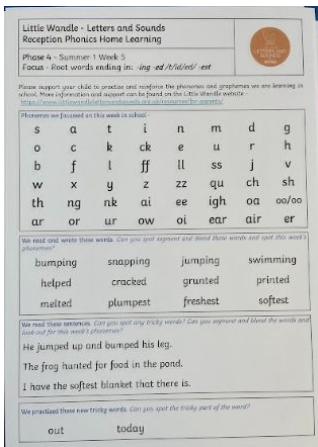

**Bronze and Silver Class needs Mystery Readers!
Please help the children. They ask every day!
There must be someone who would like to
come and read them a story?**

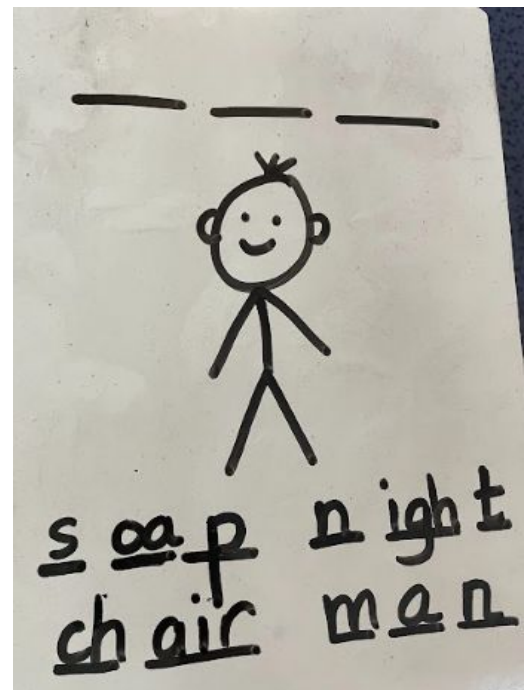

New set of Tricky Words

As well as the normal phonics home learning sheet, we have sent the last lot of Tricky Words for Reception. There will be more in Year 1. Please practise these at home. Recognising these words, really helps children become automatic readers.

Happy Man

We would like to share with you a game we play with the children. It is based on the traditional Hangman game but we build a Happy Man instead. We have included examples of words we might use to show you that we count digraphs and trigraphs as one line, because they make one sound. Have fun

Sun hats and Cream

The weather is due to get a lot warmer. The children will need a named sun hat in school. Sun cream should be applied in the morning before coming to school. If you wish to send in a sun cream, please make sure the bottle is named and the children know how to apply it themselves.

Wow Moments from Home

Remember to send in or email with any WOW moments from home. This might include special places you have visited or anything your child has experienced/achieved for the first time.

Bocketts Farm Trip Payments

Thank you to those parents who have paid towards our trip to Bocketts Farm. It is 5 ½ weeks away! **Just a reminder that the deadline for the full amount is Tuesday 2nd June.** Payments can be made via the Gateway app - Thank you.

We are $\frac{2}{3}$ of the way to our total!

Forest School timetable:

June

4th - Silver

11th - Bronze

18th - Silver

25th - Bronze

July

2nd - Silver

9th - Bronze

16th - Joint

BABY PHOTOS - more please!

As part of our topic on How We Have Changed, we would like the children to look at photos of themselves as babies and toddlers so they can talk about what has changed. Please can you email your teacher a photo of your child as a baby and another as a toddler, so we can use them to discuss the changes. Thank you.

If you signed your child up for Micro Duke at the beginning of the year, we will need to collect these in soon.

If your child completes at least 7 of the activities in the book, they will get a badge and a certificate to celebrate their achievement.

THE BIG FUTURE

Dame Rachel de Souza
Children's Commissioner for England

For the first time, hundreds of thousands of children will be eligible to vote in the next general election at age 16, the biggest change to the franchise in half a century – yet just one in five children say politicians listen to them.

That's why I'm doing my final survey, *The Big Future*, to talk to a million children, to listen to them. And to find out about what it's like to be a child today.

I am asking children about the changes they want to see in their communities, their biggest concerns, and their hopes for the future. More than anything, I want to know what they think a good childhood should look like, now and in the future.

You can complete the survey at:

<https://www.smartsurvey.co.uk/s/TheBigFuture/>

Or you can access it using the QR code

Important Dates

First day of Summer 2: Tuesday 2nd June

Non-Uniform Day: Thursday 4th June (Father's Day shop donations)

Father's Day Shop: Tues 16th and Fri 19th June. You will be able to pay via Gateway

Contacts

If you would like to contact any of us by email. We will reply as soon as possible within school working hours.

Mrs Annabel Glover-EYFS lead/Nursery aglover13@suttonmail.org

Miss Munaza Ahmad- Silver Class mahmad68@suttonmail.org

Mrs Tammy Rich- Bronze Class trich18@suttonmail.org

Where do you think they will go next? Can you spot them?

Please share these photographs with your children and encourage them to tell you what they have learnt this week.

What happened to the gingerbread men when they were put in water?

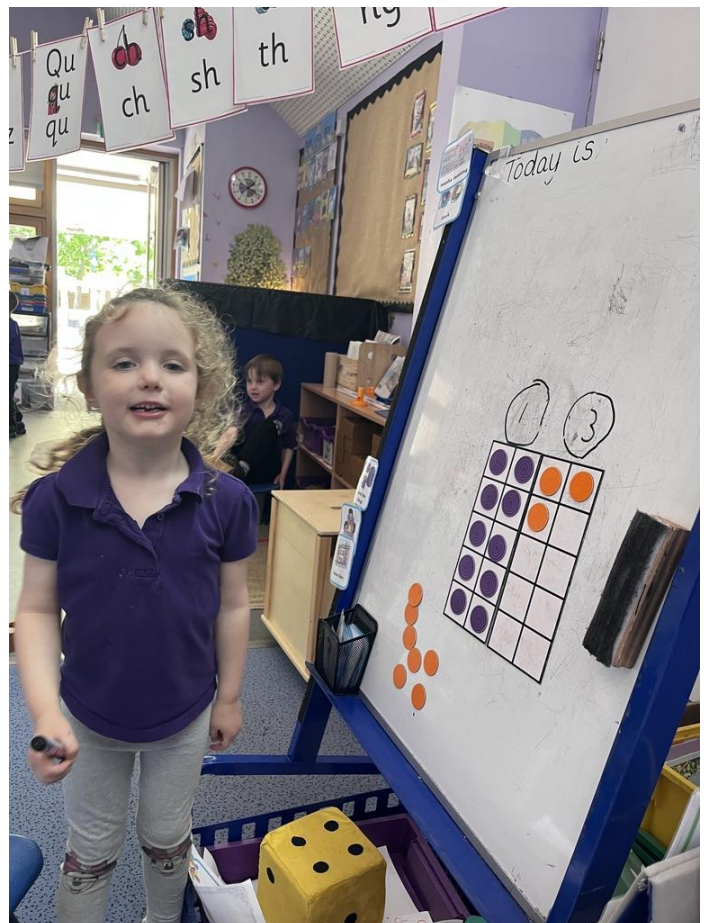

What could you use to make a boat to sail the Gingerbread an over the river to safety?

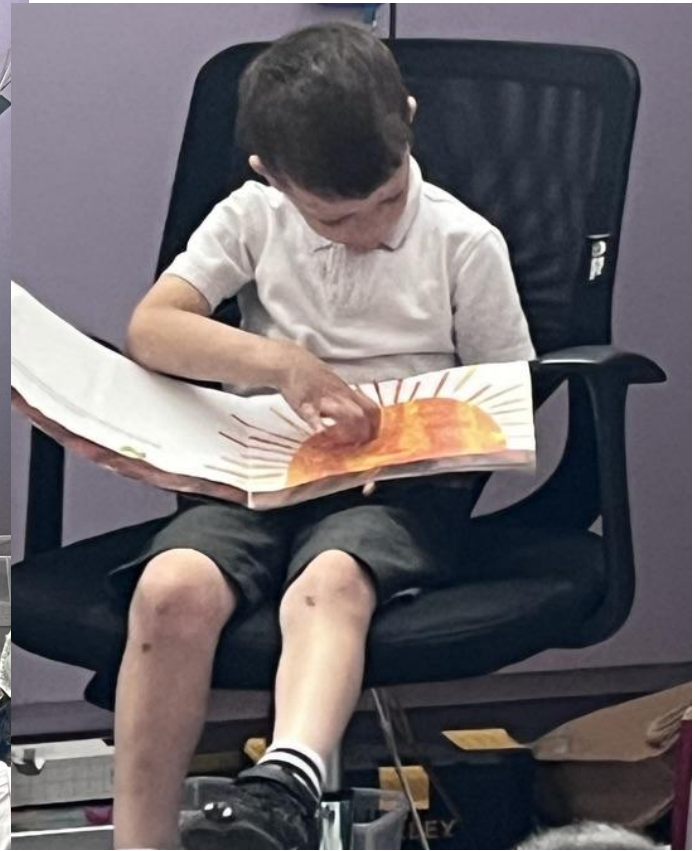

In Maths we have been learning about counting past 20. One of our Early Morning pictures had lots of tadpoles. Many children showed that they could count past 20 as they tried to work out how many there were?

How did you make 13?

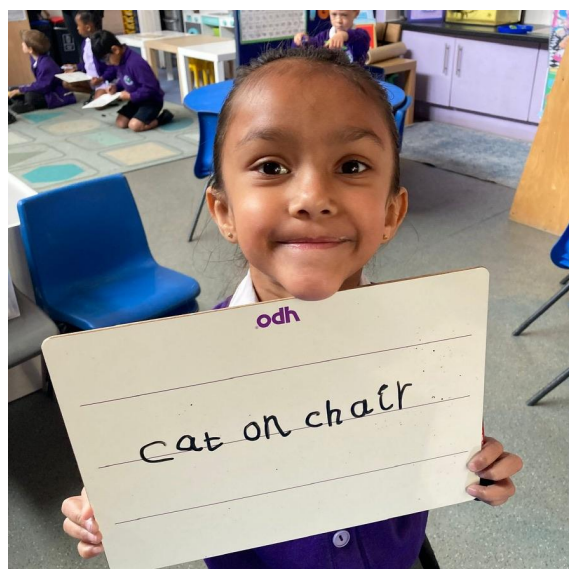

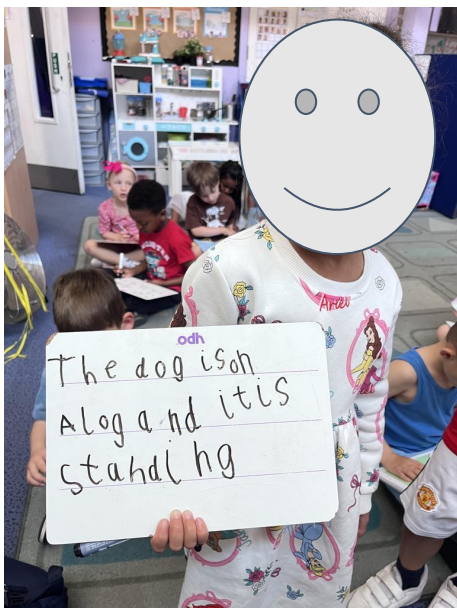

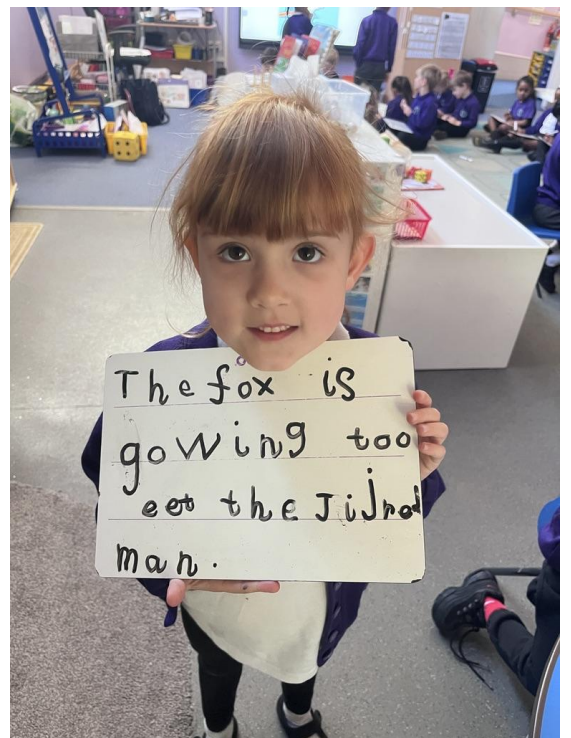

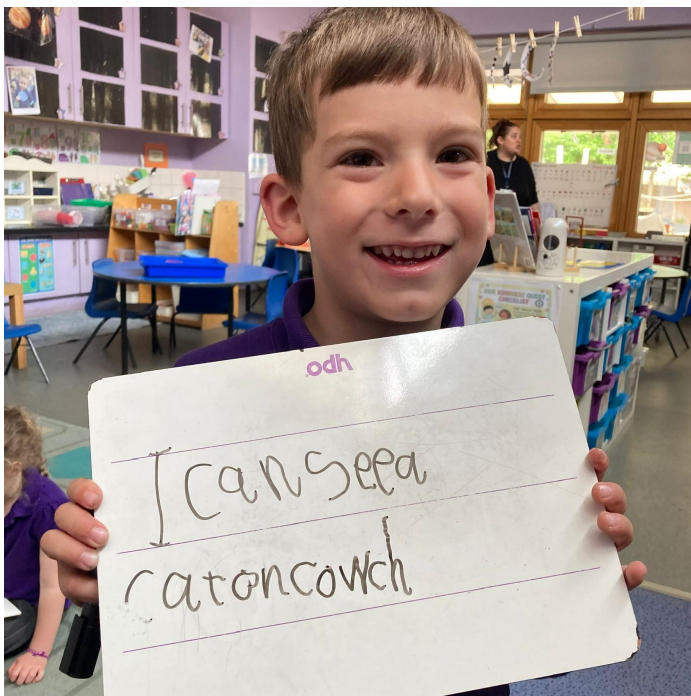

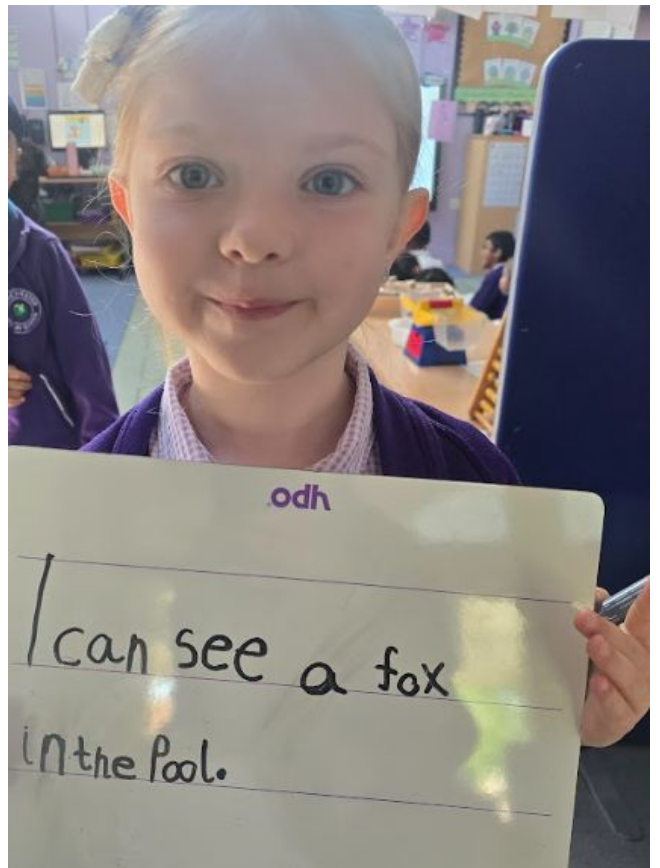

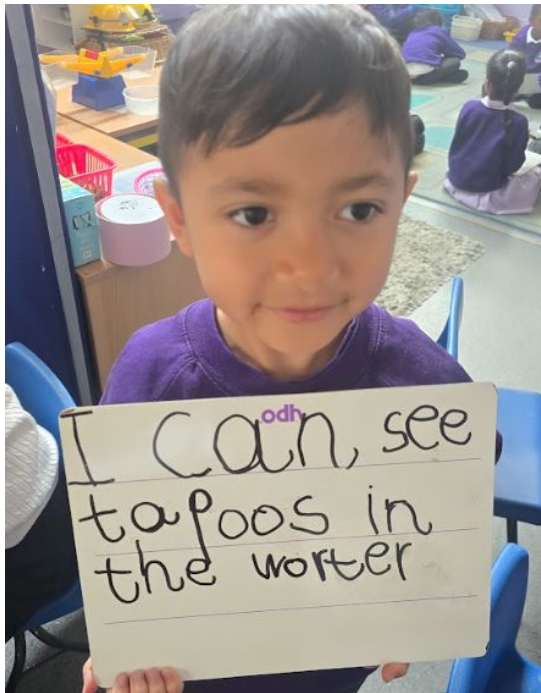

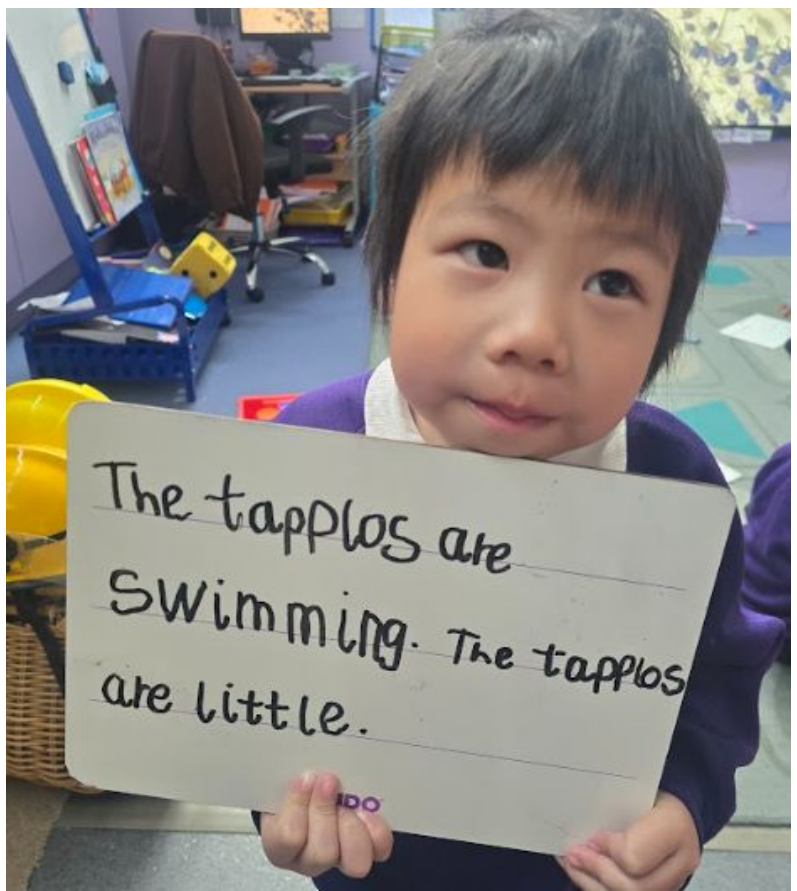

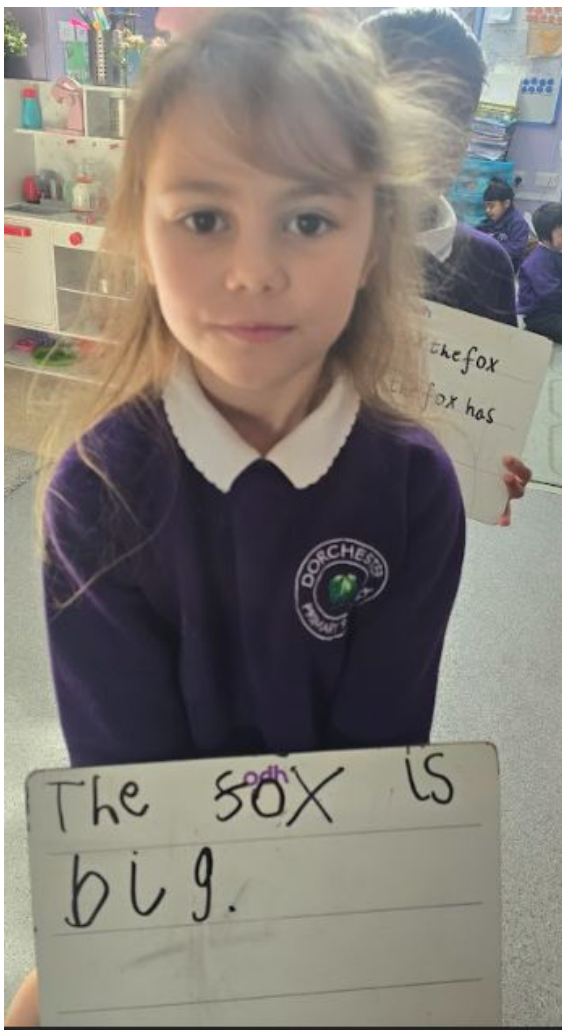

Our children have been reading to the class this week. How far they have come!

We have been learning to add two numbers together to find a total.

What have you been writing about this week?

This week, we got together with our Big Friends and they had made pop-up books in DT. They shared them with us. What Rhyme did your Big Friend make into a book? (we will have more photographs of this visit after the half term break)
