

Nursery Peek at the Week

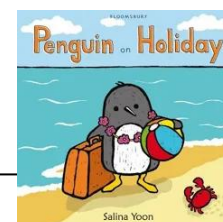

Weekly News

This week in Nursery we have been thinking about holidays and different places that we can visit. We read the story 'Penguin on Holiday' by Salina Yoon. This story shows lots of exciting things that penguin can do at home in his cold environment. When he is at home, he likes to go ice skating and play with the snow. However, one day penguin decides that he would like a holiday; he travels to a hot beach and realises that it is nothing like his icy home. He cannot ice skate or ski but he meets a friendly crab who shows him how to build a sandcastle, surf, climb a tree and sunbathe. We have been thinking about the differences between hot and cold countries.

REMEMBER No question or concern is too small, I would rather you email me than worry about something!

Next week we will be continuing to learn about holidays and different places that we have visited. We will be thinking about how these places are similar or different to Worcester Park. We would love to see holiday photos or photos of exciting days out that your child has been on. Please either email the photos directly to me or you can print them out and bring them to Nursery.

3-a-day Stories: This half term we will be reviewing our 3-a-day stories to ensure that the children are confidently able to retell them.

Dip and Do: Home Learning:

- Can you find objects beginning with f?
- Can you send us some photographs of your bean? Has it grown? How have you been looking after it?
- Can you find some photographs of a family holiday or a trip to an exciting place? How did you get there? Was it hot or cold? What did you do there?
- Can you write your name forming the letters correctly?

What have we been learning in Nursery this week?

What happened to Penguin on his holiday?

Where does penguin live?

Where did he go on his holiday?

What did he do on holiday?

Where did the crab go on holiday?

Phonics

This week we have been learning the f phoneme sound.

		Open your lips a little; put your teeth on your bottom lip and push the air out to make the sound ffff
