Enquiry Question of the week

What are the major environmental issues in Dorset and how might these affect the lives of those nearby?

A: Coastal erosion leads to destruction of property, natural habitats, changing coastlines and sea currents, affecting fishing and sea life. This is mostly caused by global warming.

A summary of next week:

English: Kensuke's Kingdom

Maths: Financial Maths

RE: Dealing with sorrow and grief in different religions

Geography: Major environmental issues in Dorset

Year 6 Home Learning - Dip and Do

Summer 2, Week 4

You **must**:

- Read a minimum of 7 times at home for at least 20 minutes and record this in your diary. Diaries are checked on a Thursday but you must have your reading folder in everyday.
- Times Table Rock Stars - 20 minutes on Garage

Please Dip into these tasks. You do not have to do all 3 of the tasks below each week but of course you can if you want to! Tasks are set every Friday and due the following **Thursday**.

Gold

Write a prediction about what you think will happen next in Kensuke's Kingdom. If you have already read the book, write a 'sequel' to the book- what could Michael's next adventure be?

Silver

Design your very own Sports Day carousel. Draw a map of the field and mark out where each activity would take place- you might want to use a key to indicate activities. Explain what children would do at each station and how they will earn points

Bronze

As part of our transition work, create a poster for your new school showing important information (ie: school logo, motto, times of the school day, uniform, houses, Year Leader, etc). You might want to look on the school website to find out more!
