Achieving Excellence Together in a Caring Community

3 July 2026

Dear Year 6 Parents and Carers

Year 6 SATs Results

I am writing to let you know that we have been informed that this year's Key Stage 2 SATs results will not be released to schools on the date originally planned.

Schools had expected to receive results on Tuesday 7 July. We have now been told that, due to technical difficulties affecting the processing and delivery of the results, they will not be available until Thursday 16 July.

I know that this will be disappointing and frustrating for children, families and staff. Our Year 6 children worked incredibly hard in preparation for their SATs and approached the tests themselves with such maturity and determination. It is understandably disappointing that they will now have to wait longer than expected to receive their results.

Unfortunately, the delay is entirely outside the school's control. We expect to receive the results on Thursday 16 July and will share individual results with families as soon as we are able to do so. We will also make sure that the children have an opportunity to discuss and celebrate their achievements with their teachers before the end of term.

While SATs results are important, they are only one measure of what our children have achieved during their time at Dorchester. We know each of our Year 6 children as individuals and are proud of the many ways in which they have grown, learned and contributed to our school community. A delayed set of test results does not change any of that.

Thank you for your patience and understanding. We will keep you informed if we receive any further information.

Yours sincerely

Cathy Bell
Headteacher
