Enquiry Question of the week

Who were the Vikings and what do we know about them?

A: The term Viking refers to people who moved to other countries from Scandinavian countries - Denmark, Sweden and Norway. The Vikings used longboats to cross The North Sea and invade Britain - often violently- and other European countries. Vikings wore armor and used shields to protect themselves; they used weapons such as long swords and axes. Some Vikings were not warriors and arrived peacefully to settle. They were farmers and grew crops.

Year 5 Home Learning - Dip and Do

Autumn Term Week 2

You **must**:

- Read daily at home for at least 20 minutes and record this in your diary. Diaries are checked on a Monday (Blue) or Friday (Sapphire and Indigo) but you must have your reading folder in everyday.
- Learn the weekly spelling words which are sent home and assigned on Spelling Shed. You will be tested every Monday morning (this will start next week).
- Practise your quick recall of the Timestables on TTRockstars at least 3 times a week.

Please Dip into these tasks. You do not have to do all 3 each week but of course you can if you want to! Tasks are set every Wednesday and due the following Wednesday.

Gold

Use your spelling words for this week to write a diary entry from a Viking point of view of what it was like invading your new land. Think about what it would have been like at sea in the long boat and how you would have felt about your new home.

Silver

In Science this week, we learnt about different materials. Find 5 objects in your home which have different properties and record them in a table like we did in class.

Please see the example below:

Object	Materials	Properties
Duvet cover	Cotton	Flexible, opaque, Absorbent.

Remember to use a ruler and present your work well.

Bronze
