Enquiry Question of the week

Each week we will post an Enquiry Question from the week's learning alongside the answer we would expect. Ask your child the question and see how close your child is to answering the question fully. If they are finding it tricky, break down the answer together and see if they can work on learning more at home.

Who were the Romans?

The Romans were a group of people who started out in a small town called Rome, in the country we now call Italy, about 2,700 years ago. They invaded many countries including England due to their strong, powerful army.

- Practise your quick recall of the Timestables on TTRockstars at least 3 times a week.
