

Peek into next week Year 1

Things to know:

- ★ The children really enjoyed the dinosaur workshop! Thank you to all the parents who have already contributed towards the cost of the visit. For those who haven't yet made a payment, please be reminded that you can still do so in the usual way via School Gateway. Thank you for your continued support!
- ★ The children's Numbot logins should now be working - please email Mrs Bushby (mchantler@suttonmail.org) if you are having any problems.
- ★ On Monday, we are doing food tasting in Science. Please fill in the form by Sunday 4th October for your child so that we know what they are able to have. If you have not filled it in by then, unfortunately your child will be unable to participate:
<https://forms.gle/gEriAX6K8cCB9mE7>
- ★ In DT, the children are making their own pen pots. For this each child needs a cardboard roll (toilet roll or kitchen roll) to use for their project. The children are also welcome to bring in any decorations they would like on their pen pot to share (sequins, feathers, coloured paper).

Enquiry Question of the week

Q: What happened in Dear Dinosaur?

A: The children enjoyed ordering the events that happened in Dear Dinosaur.

A summary of next week:

Phonics: Reviewing longer words.

Reading: Little wandle reading groups x3.

Writing: Text: Dear Dinosaur. Skills: features of a sentence and retelling the story.

Maths: number bonds to 10 and adding numbers together.

DT: Making a stable pencil pot.

Science: Can you name the five senses and perform simple tests to find out more about them?

PSHE: What is a friend?

History: How do we know about Mary Anning's actions which happened so long ago?

RE: What is special about belonging?

Computing: Using a computer keyboard.

A weekly overview (subject to change)	
Monday	PE
Tuesday	Forest School.
Wednesday	PE
Thursday	
Friday	PE. Little Wandle book change.
Reading folders should be in school every day and taken home every evening.	

Year 1 Home Learning - Dip and Do

Autumn 1 Week 5

You **must**:

- Read 4 times a week at home and record this in your diary. Diaries are checked on a Friday but you must have your reading folder in everyday.
- Practise your quick recall of number bonds on Numbots every week (logins are in the front of reading records).

Gold

Draw and label a human body with all of the parts you can name and their uses.

Silver

Choose one number from 1- 20 and see how many different ways you can partition it. For example 3 can be partitioned into $0 + 3$, $1 + 2$, $2 + 1$ and $3 + 0$.

Bronze

Choose 2 different dinosaurs and find all the similarities and differences between them.
