

Peek into next week Year 1

Things to know:

- ★ The children really enjoyed the dinosaur workshop! Thank you to all the parents who have already contributed towards the cost of the visit. For those who haven't yet made a payment, please be reminded that you can still do so in the usual way via School Gateway. We would be grateful for any contributions you can give. Thank you for your continued support!
- ★ The children's Numbot logins should now be working - please email Mrs Bushby (mchantler@suttonmail.org) if you are having any problems.

Enquiry Question of the week

Q: Can you name the five senses and perform simple tests to find out more about them?

A: Sight, taste, smell, hearing, touch. The children tested different foods using their senses.

A summary of next week:

Phonics: Reviewing longer words.

Reading: Little wandle reading groups x3.

Writing: Text: Dear Dinosaur. Skills: Retelling the story using capital letters, full stops and finger spaces.

Maths: addition number problems and finding missing numbers.

DT: Making a stable pencil pot.

Science: Can you sort animals according to a criteria?

PSHE: How can we have a kind and friendly class?

History: How and why should Mary Anning be remembered?

RE: Recap of learning.

Computing: developing keyboard skills

A weekly overview (subject to change)

Monday	PE
Tuesday	Forest School.
Wednesday	PE
Thursday	
Friday	PE. Little Wandle book change.

Reading folders should be in school every day and taken home every evening.

Year 1 Home Learning - Dip and Do

Autumn 1 Week 6

You must:

- Read 4 times a week at home and record this in your diary. Diaries are checked on a Friday but you must have your reading folder in everyday.
- Practise your quick recall of number bonds on Numbots every week (logins are in the front of reading records).

Gold

Can you write a recount of one of your days this week? It could be written as a diary or just as separate sentences. Remember to use capital letters, full stops and finger spaces.

Silver

Create a poster with all of the number bonds to 10. You can be as creative as you like with how you present it!

Bronze

Choose a dinosaur and then design the perfect habitat for them. You can draw this, build it with lego or use anything from home to help you show it. Please feel free to email your child's class teacher with a picture if you would like to!
