Peek at the Week

Friday 7th November 2026

Parts of the Body

This week the children have been learning about parts of the body. The classes labelled a large diagram of a body together and then they had a go at labelling their own diagrams. Many of the children are beginning to hear the first sounds in words and are able to write those sounds.

On Tuesday afternoon, the children met their Big Friends! Every Year, the children in Reception are paired with children in Year 5. They meet up and build a relationship over the year - a relationship which will continue into Year 1. The children got along famously. We can't wait to meet up to make Christmas hats to wear to our Christmas dinner in December.

Don't forget to come to our Early Birds - Fine Motor Skills morning, this Tuesday. You can see some of the activities that your children take part in at school, and maybe pick up some ideas for activities you could try at home.

In maths, the children are learning how numbers build together to make new ones—like seeing that **1 and another 1 makes 2**, or **1, 1, and 1 makes 3**. While it sounds simple, using these words gives children the language they need to talk through their math and build strong problem-solving skills for the future.

WORLD Nursery Rhyme Week

Next week, we will be taking part in World Nursery Rhyme Week and learning some new and singing some familiar Nursery Rhymes. **On Friday 13th November, the children are invited to come to school, dressed as any Nursery Rhyme Character.**

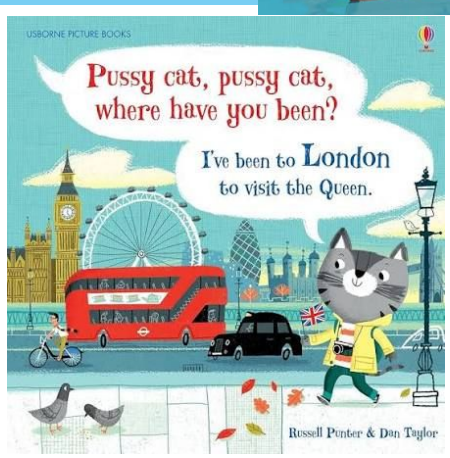

Dip and Do

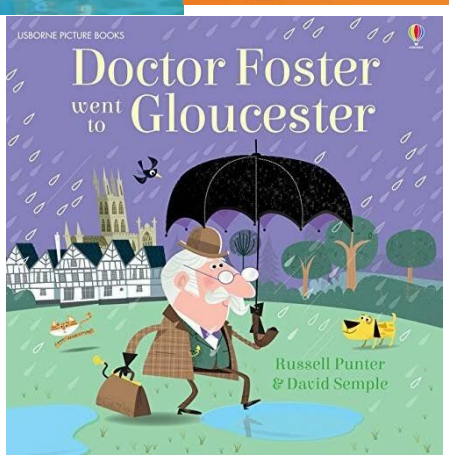

Please make sure your child knows which Nursery Rhyme character they are dressed as and can sing or say the rhyme.

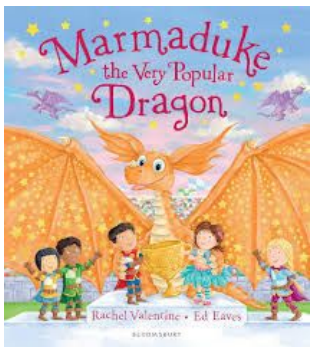

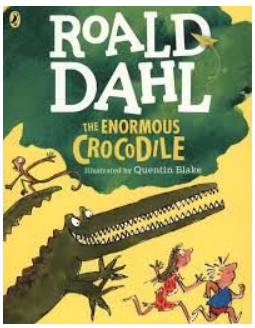

Books and Book Bags

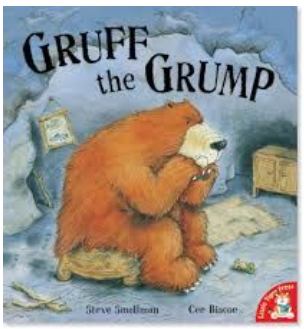

Please keep your children's reading book, library book, and reading record, in your child's book bag. We aim to change reading books on Thursdays and Library Books on Fridays, but, sometimes timetables change and we need to change books on different days. It makes that much easier if the books are always in school.

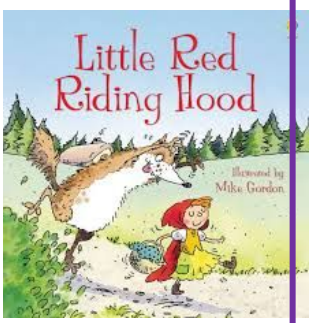

Please read with your child at least 4 times a week, although daily is better!

Reading Records will usually be taken in on Wednesdays to give the children their sticker for reading at least 4 times a week.

Healthy Eating and Drinking at school

Dorchester school website has a page encouraging healthy eating. Reception children have their fruit snack provided at school. Please note that water bottles should have water in, not squash. The children are encouraged to drink during the day and many refill their bottles at school.

Mystery Readers!

SHHHHHH…..DO NOT TELL YOUR CHILD!

We have had our first Mystery Readers this week and the children loved it!! Please contact your teacher to volunteer to read a favourite story to your child's class!

Children LOVE mysteries and they also love their families! We need your help! We have a lovely tradition in Reception. Every week we ask for a family member (Mum, Dad, Aunt, Uncle, Gran, Granddad, older sibling), to come and read a story to their child's class.

Maybe your child's favourite bedtime story?
Maybe a story from your own childhood?
It could be in your home language.

This would be at the end of the day
for no more than 10-15 minutes!

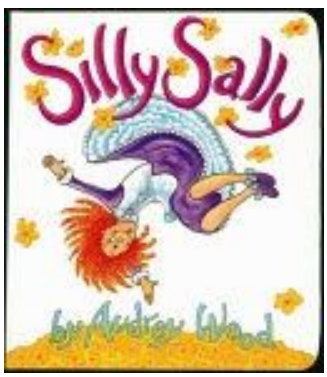

If you would like to volunteer, or just want to know more details, please secretly talk to or email your class teacher.

Remember – DO NOT TELL YOUR CHILD! This is to be a surprise for them too!

3-a-day Stories

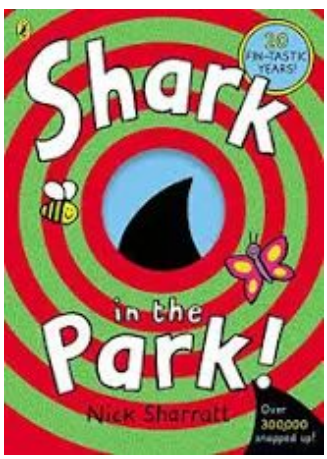

Every half term we focus on three stories which the children learn to recite with us at key points. The stories introduce various story elements such as, repetition and rhyme as well as helping them to learn to tell a story in the correct order.

This half term we are reading :

Silly Sally by Aubrey Wood

Silly Sally went to town, walking backwards, upside down - and that''s just the beginning. Come along with Sally and her companions as they parade into town in a most unusual way'

Shark in the Park by Nick Sharrat

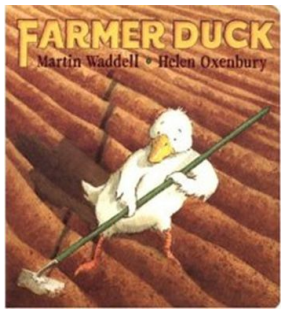

Timothy Pope has a brand new telescope and he's testing it out at the park. Peep through the die-cut holes in this book to see if you can spy a shark. Is that *really* a shark? Turn the page and find out . . .

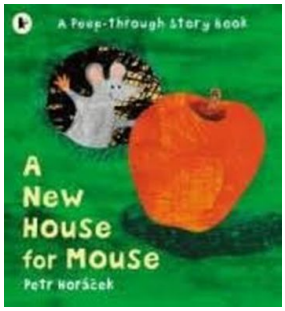

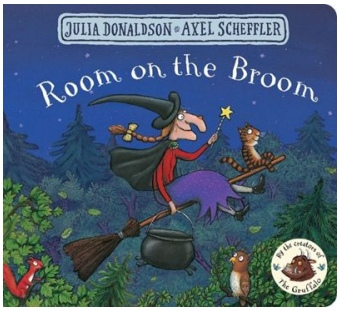

We're Going on a Bear Hunt by Michael Rosen Step into the world of the bear hunt and join the family as they swish swash through the grass, splash splosh through the river and squelch squerch through the mud in search of a bear. What a surprise awaits them in the cave on the other side of the dark forest!

These are the Three a Day stories that Reception will be reading. We will give you more information about each book in the correct half term.

Thursday 17th
2:45-3:15pm
Bronze and Silver Classrooms

July

Early Birds Summer Holiday Activities
Tuesday 13th
8:30-9:15am

August

SUMMER HOLIDAYS

What do you know about Diwali? – Dip and Do

Next week we will be learning about Diwali.
Have you heard of Diwali?
Does your family celebrate Diwali?
What do you know about it?
Can you find out something about Diwali to share with us next week?

Important Dates - 2026-2027

Early Birds - Fine Motor Activities - 10th November (see Events Calendar)

Nursery Rhyme Dress up Day - Friday 13th November

Individual (and sibling) Photos - Wednesday 18th and Thursday 19th November

EYFS Nativity (In the Main Hall)-

Wednesday 16th December- 9:30am

Thursday 17th December- 2:15pm

School Dinner Menu

The school dinner menu can be found on the school website at:
https://www.dorchesterprimary.com/page/?title=School+Lunch&pid=114

Forest School

The children will have Forest School sessions on a Thursday morning with Riad. The classes will go every other week. We are looking for parents who would be available to support us with these sessions either weekly or on a rota basis. If you think you can help please contact your class teacher (see email addresses below).

Forest School timetable:

November	December
12 - Silver	3 - Bronze
19 - Bronze	10 - Silver
26 - Silver	17 - Bronze

Thank you to all the parents who have help at Forest School. The children are loving having parents come to help. We can always take more! You do not need to give us notice. If you are free please turn up.

Contact emails

If you would like to contact any of us by email. We will reply as soon as possible within school working hours.
