You must:

- Read daily at home and record this in your diary. Diaries are checked on a Friday but you must have your reading folder in everyday.
- Practise your quick recall of number bonds on Numbots every week (logins are in the front of reading records).

Please Dip into these tasks. You do not have to do all 3 each week but of course you can if you want to! Tasks are set every Wednesday and due the following Wednesday.

Gold

Retell the story of Paddington Bear. You can present it however you like. You may choose to write some, draw pictures, act it out with toys and film it. Be as creative as you like!

Silver

Choose 5 subtraction calculations and draw pictures to show how you can work it out.

Bronze

Create a picture of the sea. You can use any materials you like and try to include some sea creatures!

Don't forget to complete 16 Reading WOWs this year for your chance to be awarded The Platinum Reading Award! This could be a shoebox scene from your favourite book or a video of you retelling the story. Anything that you think would make your teacher say WOW!
