

Peek at the Week

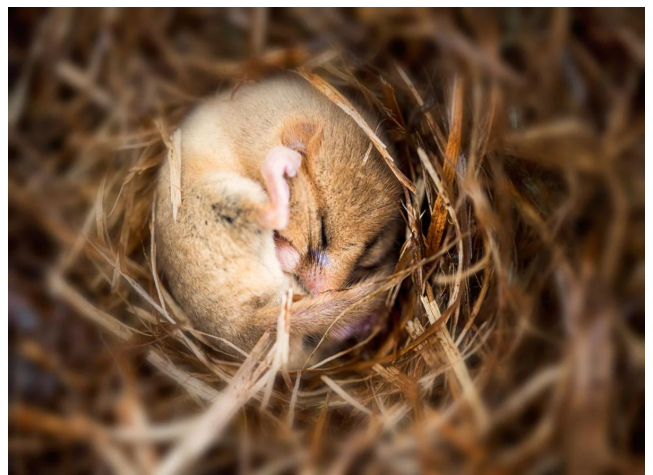

Autumn Week

This week we have learnt about hibernation and which animals hibernate in the UK. The children really enjoyed making a cosy place for these animals to hibernate, using junk modelling.

In Maths, we have explored the number three and how many ways we can make this number using our fingers and various manipulatives. The children have been developing their fine motor skills this week and have had lots of fun using playdough, cheerios to thread and tweezers.

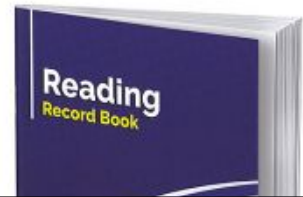

Early Birds Session

Thank you to the parents who were able to come to our Early Birds session this week. We hope the morning was useful in gathering some ideas that you could do at home to support your child with their fine motor skills.

Please Read Every Night

Please remember to read every night to receive **2 stickers** a week. One sticker is for reading every day and the second sticker is for bringing their book and Reading Record into school. Children who read a little bit every day make the most progress.

Volunteers needed for the Christmas Fair

We need your help to make this an amazing fair for all the children while raising funds for the school! Please use the link below to sign up to help. Clear instructions will be given & all help is extremely appreciated. Let's make this a fantastic fair together.

Class WhatsApp Groups

If you would like to be part of your Class Whatsapp group, please pass your phone numbers to Emma (Ruby's mum in Silver) or Katie (Frankie's mum in Bronze).

Error on the Nativity Letter

Apologies: The Nativity, on the 14th and 15th of December will be for Nursery, Bronze and **SILVER** class. We wrongly put Copper Class on the letter.

Dip and Do - Nativity

This week your child went home with a letter containing the costume they will need for the Nativity and their lines to learn.
Please practise these lines with your child at home.

Important Dates

FODS Christmas Fair: Saturday 9th December 12pm-3pm

Nursery and Reception Nativity: Thursday 14th December at 9.30am and Friday 15th December at 2pm

Some snug hibernating dens. Which animals make snug nests to sleep in?

We have begun digging a pond and, while we were digging we found some worms for the kitchen.
