Achieving Excellence Together in a Caring Community

November 29th, 2023

Dear Parents,

TEA TIME CONCERT – WEDNESDAY DECEMBER 13TH

We are thrilled to announce our upcoming and first ever 'Tea Time Concert', which will be held on December 13th from 3:15 to 4:00 pm. The aim of this concert is to provide an informal opportunity for children in Years 2-6 who play a musical instrument (including voice lessons) to perform in front of a friendly audience. Our Music Ambassadors will introduce the concert. Parents just need to arrive at usual school pickup time and make their way to the school hall where the concert will take place.

If your child is interested in performing, please let us know by Monday December 4th by completing the form at <https://forms.gle/MPP7APZ2UtEMm1rT8>.

We hope to accommodate everyone who wishes to perform, but if we receive too many applications we will select randomly and give any children who are not selected the first opportunity next term. We will let you know if your child will be performing by December 6th.

Please note that this is not a general talent show as we have in the summer term – it is designed for those children receiving instrumental or voice lessons (either in or out of school) to perform a short piece to an audience – please speak to your child's instrument teacher if you are unsure if they have a piece ready to perform. It does not matter whether they are Grade 1 or Grade 5 – all abilities are welcome.

If your child is performing and requires a backing track to accompany their piece, please send it to Mr Dennis (ddennis14@suttonmail.org) by December 8th, or let us know what the track is if it can be streamed online for example, so we may prepare the backing track list order in good time.

We are looking forward to a delightful afternoon of wonderful performances!

Kind regards

Dave Dennis
Assistant Headr
