Enquiry Question of the week

Each week we will post an Enquiry Question from the week's learning alongside the answer we would expect. Ask your child the question and see how close your child is to answering the question fully. If they are finding it tricky, break down the answer together and see if they can work on learning more at home.

What are the similarities and differences between Matthew and Luke's accounts of the Christmas story?

Both stories are about the birth of baby Jesus in Bethlehem. They both have angels which are messengers from heaven. They give the good news about Jesus being born.

In Luke's story there are shepherds and in Matthew's story there are wise men. They both follow a bright star to find Jesus.
