

Peek at the Week

Nativity Week

The children have all been superstars in their Nativity performances this week. We are incredibly proud of them all! They all sang, signed, danced and said their lines beautifully. We hope you enjoyed the performances as much as we did and thank you for your support with providing costumes and learning lines.

The children have had great fun practising their cutting skills by creating their own paper chains to decorate the classrooms with. Our classrooms are looking very vibrant now!

In Maths, we have been making 'stampolines' (Numberblocks). The children have represented numbers to 5 in different ways by using stamps and paint.

Photo Permissions

We have lots of lovely photo from our nativity performances which we would like to share with you next week. However, we have still not received completed photo consent from everybody. Please use the link below to fill out a photo permission form.

If we do not receive a response from you, we will assume this means you do not want us to share your child's photo and we will blur out your child's face.

If you have already completed this form, we have a record of this already.

Please Read Every Night

Please remember to read every night to receive **2 stickers** a week. One sticker is for reading every day and the second sticker is for bringing their book and Reading Record into school. Children who read a little bit every day make the most progress.

Important Dates

Mufti Day: Monday 18th December

Last Day of Term: Thursday 21st December. The children finish at **1:30pm**

First day back: Tuesday 9th January

Dip and Do

Please can you send in/email any pictures of Christmas decorations you have at home? If you do not celebrate Christmas, please send a picture of decorations you may have at home instead.

Thank you.
