

Nursery Peek at the Week

Weekly News

Wow didn't they do well!

We are so proud of all of our EYFS children for their performances of 'The Nativity.' We hope you enjoyed the performances and are very proud of them too. Have you ever seen animals with such groovy dance moves, a more delightful group of angels or more sparkly, twinkling stars? The children sang beautifully and did very well to remember all of the different Makaton signs.

The children have continued to enjoy learning all about Christmas and we have all been using our advent calendar to count down to the big day!

Please see the photographs below to find out what we have been learning.

We have lots of lovely photographs from our nativity performances which we would like to share with you next week. However, we have still not received a completed photo consent form from everybody. Please use the link below to fill out a photo permission form.

If we do not receive a response from you, we will assume this means you do not want us to share your child's photo and we will blur out your child's face.

If you have already completed this form, you do not need to re-do it.
