This game is set up for 7+, but is a great resource to help the children learn where the keys on a keyboard are and learn how to type effectively.

## Silver

We have now finished our unit on money in Maths, so here are some games that will help review what the children have learned:

Please play along with them and check that they understand the value of the different coins.

## Bronze

Think about some of the items of food you have at home - which of our categories do they go in? Fruits and vegetables, carbohydrates, proteins, dairy, oils and spreads or treats?

**Spelling words to learn:** Megan's, Ravi's, Cody's, Sophie's, Sam's, child's, boy's, man's, dog's, lady's

They have access to tasks linked to this spelling pattern on Spelling Shed.
